

HomeoPet® is the Answer

Since 1994, HomeoPet® has worked diligently to ensure that all of our products meet the highest level of requirements, so your pets get the best remedies money can buy. HomeoPet® solutions are manufactured under the strict guidelines of the FDA, in an FDA inspected facility, and exceed all GMP (Good Manufacturing Practices) standards.

Safety is our first concern and HomeoPet® solutions are scientifically formulated to harness nature's natural healing power, free of all harmful chemicals.

HomeoPet® solutions are **gentle** and safe for kittens, puppies, pregnant, and nursing animals, and have no known side effects. All ingredients are **100% natural**, using only the purest, naturally grown, raw materials. HomeoPet® products are formulated in a 100% natural liquid solution, and come in an easy to administer dropper bottle.

HomeoPet® products are used daily by thousands of veterinarians across the U.S. and internationally, on cats, dogs, birds, hamsters, ferrets, and pot bellied pigs. With more than 20 years of research and development, proven in university studies, you can rest assured that HomeoPet® delivers unparalleled safe and effective remedies.

Start your pets on the road to health by treating them with HomeoPet®'s naturally effective products.
