Give Thanks Through Christ

“Rejoice always, pray continually, give thanks in all circumstances; for this is God’s will for you in Christ Jesus.” 1 Thessalonians 5:16–18 (NIV)

Sorrow, sadness, grief, distress, sickness and pain. What do all these words have in common? At first glance we would want nothing to do with them. Perhaps they unload a whole list of uncomfortable thoughts or emotions. My guess is they are only talked about in a negative way.

From a Christian perspective, we see them in a different light. We see them remembering that Christ is king of all and those words don’t enter our lives by mere chance. We know that if they come, our God won’t give us more than we can handle and that God will make them serve for our good.

God also uses them as open doors and windows in our life. He allows the hurt so we can tell those listening the hope we have, Jesus, our rock and redeemer.

In our passage today, the apostle Paul remembers God’s love to him even as he dealt and is dealing once again with so much sorrow, sadness, grief, distress, sickness and pain. His reaction shouldn’t surprise us, but instead should inspire us, for it was one of joy, prayer and thankfulness. No, he wasn’t delusional, he had Christ.

This Thanksgiving, your heart may be broken, but remember you have Christ. Remember what that means. You have forgiveness, security, joy, peace and eternal life. Remember God’s promises and give thanks to him even as you endure your hardships. Finally remember a day is coming when all those headaches will go away. A day is near where sin will be no more and sadness will be a thing of the past. This day is when your king, your Savior comes for us and takes us to be with him.

As God’s children, like Paul, we always have a reason to give thanks through Christ!

Heavenly Father, Thank you making us your children and for giving us eyes of faith to see your great love for us even as we have difficult times in this life. Help us always to rejoice, pray and give you thanks in the good times and the “bad”. Amen .

New Picture Directory Coming!

Did you know that our congregation has been blessed with over 80 new members since our last church pictorial directory? St. John's will be creating its own new picture directory! Beginning in December we will be offering timeslots for members of our congregation to have their family picture taken for the directory. We are looking for volunteers to help with the photography and editing of the directory. If you have any experience with SLR cameras and/or Photoshop and would like to volunteer for this new project, please contact the church office at 920-386-3313 or church@stjohnsjuneau.org. The equipment (cameras, backdrop, etc.) will be provided.

St. John's Thanksgiving Dinner:

The St. John's annual Thanksgiving Dinner will be held on Wednesday, November 22, at 11:30 AM. The cost is \$2.50 for high schoolers and adults, \$1.75 for children ages 6-14, and young children are free. If you are interested in attending the meal, please call the school office at 920-386-3313 to reserve your spot.

Our Janitor is Retiring:

Robert (Mac) Affeld is retiring from his position as Church Janitor in the end of October. **We want to thank Mac for his service to our congregation over the past two years!** If anyone is interested in taking over as our church janitor, please contact the church office or email church@stjohnsjuneau.org for more information. Thank you!

If you are interested in donating flowers for an upcoming church service or request a special hymn, please use the sign-up sheet in the narthex (on the easel by the couches). Please sign-up at least two weeks prior to the requested Sunday. Thank you!

Electronic Giving:

St. John's offers our members the choice to give their "first fruits" when and how they want (whether it is by check, cash, or electronic giving). Did you know St. John's offers three different electronic giving options (website, direct deposit and text giving) as convenient alternatives to checks or cash? If you are interested in giving electronically, please see the flyer in the Friendship Registers or contact the church office for more information. Located in front of each hymnal rack is an Online Giving Card. If you give electronically and would like to participate in the offering portion of our worship service, please place an online giving card in the offering plate as it is passed by.

James Werner will describe his recent trip to "Our Grenada Mission" on the Caribbean island off the coast of Venezuela. Refreshments available thanks to the women of the congregation. St John is served by Pastors Warnecke and Carter. It was founded in 1852, has some 1100 members and operates a Lutheran elementary preschool to 8th grade with 124 pupils and 8 teachers. Going to 304 North 6th Street will take you between the church and the school. The meeting is in the school cafeteria which is handicap accessible. Learn more about the Organization of WELS Seniors (OWLS), which provides meaningful activity for people retired and/or 50 years and older. Here is a wonderful opportunity for seniors to grow spiritually and enjoy the fellowship of neighboring WELS and ELS members. Twice Is Nice News October 2017:

Annual report: At its annual volunteer appreciation dinner at Plattdeutcher Hall in Watertown October 1, the Good Stewards board—who administrates the Twice is Nice Resale Store—reported the store is on target to surpass \$600,000 in sales for 2017, an almost 12% increase from a year ago. Gifts to LLHS have surpassed the \$4.5 million mark since 1993, including operating gifts that help minimize tuition increases, as well as over \$63,000 in school wishlist grants just in 2016-17.

Shop: Just a reminder that Christmas has come early at the store. We are stocked and ready to help you supply your decorating and gift-giving opportunities this year. New items are stocked every day we're open, Mondays-Saturdays from 9-5 PM: just a minute east on the Hwy 18 exit off the 26 bypass at 907 W. Racine St., next to the Jefferson Piggly Wiggly.

Volunteer: We welcome our newest board members, Jayne Pfeifer (St. Peter, Helenville) and Dan Uttech (St. Luke, Watertown), who joined incumbent Pastor Marty Stuebs (St. Paul, Lake Mills) for a term as a director on the Good Stewards board. Thank you for your service out of love for your Savior! Approach them with your questions and suggestions, or call the store at [920-674-6868](tel:9206746868) and ask for the day manager.

November is National Diabetes Month

The Basics

More than 29 million people in the United States have diabetes, but 1 out of 4 of them doesn't know they have it. There are three main types of diabetes: type 1, type 2, and gestational diabetes (diabetes while pregnant, which can put the pregnancy and baby at risk and lead to type 2 diabetes later). With type 1 diabetes, your body can't make insulin (a hormone that regulates blood sugar), so you need to take it every day. Type 1 diabetes is less common than type 2 diabetes; about 5% of the people who have diabetes have type 1. Currently, no one knows how to prevent type 1 diabetes.

Most people with diabetes—9 out of 10—have type 2 diabetes. With type 2 diabetes, your body doesn't use insulin well and is unable to keep blood sugar at normal levels. **If you have any of the risk factors below, ask your doctor if you should be tested for diabetes.** The sooner you find out, the sooner you can start making healthy changes that will benefit you now and in the future.

Type 2 diabetes risk factors include

- Being overweight.
- Being 45 years or older.
- Having a parent, brother, or sister with type 2 diabetes.
- Being physically active less than 3 times a week.
- Ever having gestational diabetes or giving birth to a baby who weighed more than 9 pounds.

If you have Diabetes Know Your ABCs

Work with your doctor to manage your diabetes ABCs, and keep a record of your numbers. Results will help determine if your treatment plan is working and you're able to stay in your target range—for example, an A1C of 7% or less—or if adjustments need to be made. Staying on track will help lower your risk of additional health problems.

- **A**—the A1C test, which measures average blood sugar over 2 to 3 months.
- **B**—blood pressure, the force of blood flow inside blood vessels.
- **C**—cholesterol, a group of blood fats that affect the risk of heart attack or stroke.
- **S**—stop smoking or don't start.

Prevent Complications

People with type 1 or type 2 diabetes are at higher risk for serious health complications, including:

- **Heart disease and stroke:** People with diabetes are twice as likely to have heart disease or a stroke as people without diabetes, and at an earlier age.
- **Blindness and eye problems:** Diabetic retinopathy (damage to blood vessels in the retina), cataract (clouding of the lens), and glaucoma (increase in fluid pressure in the eye) can all result in vision loss.
- **Kidney disease:** High blood sugar levels can damage the kidneys over time, long before you start to feel bad.
- **Amputations:** This means you could lose a foot or leg. Diabetes causes damage to blood vessels and nerves, particularly in the feet, and can lead to serious, hard-to-treat infections.

Contact your doctor if you have any questions about diabetes or talk to one of the parish nurses during blood pressure checks - we'd be happy to help you.

LWMS Befriend A Mission: BAM ASSIGNMENTS

A few updates and prayer requests concerning our Canadian Mission Assignment

1. Chinese Evangelist Qiang Wang is half way through his pastoral studies and will begin his vicar year in February 2018. He has begun teaching his first Bible class in Chinese. Please pray for his confidence. He is now working full time in ministry and his family is supported by his wife who currently has only a part time job. Please pray for all their family's needs to be met.
2. Pastor Cortright met with a South Sudanese couple about a year ago, concerning possible fellowship with a congregation in Vancouver made up of 7 families with lots of kids. That contact was refreshed around mid-September and discussion about their joining Saviour of the Nations has begun. These additions would double the size of Saviour of the Nations. Please pray for this new relationship.
3. Pastor Cortright begins a new venture teaching English as a Second Language (ESL) instruction class made up of 10-13 individuals (more than double the size of his normal class) from Canada, Brazil, Korea, Japan and someone who has migrated from the Soviet Union to Israel to Canada. None of these have ever before heard the gospel and Pastor asks for prayers for this class and for his clarity in teaching since he has no formal ESL training.

There is a new Sigrist baby! Samuel Levi Sigrist was born September 8th. 9lbs 6oz. Mom and baby are doing well: God be praised!

A PRAYER FOR OUR MISSIONARIES

Heavenly Father, your love for the lost was so great that You gave your very best ---- your Son. Be with our missionaries who have given their best ---- themselves ---- to spread your word to the nations. Open our hearts to support your work, giving You our very best. Bless your work, those who tell your Message and those who support it with faith and love and hope inspired by the message of your Son. Amen

"I am the true vine, and my Father is the gardener. He cuts off every branch in me that bears no fruit, while every branch that does bear fruit he prunes so that it will be even more fruitful."

John 15: 1-2

Greetings from the warm heart of Africa,

Did you plant a garden this summer? If so, did it rain enough for your plants or did you have to water it yourself? Either way, I'm sure you spent at least a little time pulling weeds! We have gardens at the Lutheran Mobile Clinic (LMC) house, and the gardener works very diligently to keep the grounds. However, last month, he took some days of holiday leave, and in my spare time I became the gardener.

We are now in dry season and faithful watering is necessary to keep the gardens and plants alive. The hours I spent tending the grounds brought to mind the attention and care our Lord spends on us. As I watered and weeded, I thought about how the Lord provides what we need when we need it and also diligently works to prune out of our hearts and lives what He finds harmful to us or those around us.

Here in Malawi, just like everywhere else, there are many harmful activities, beliefs and practices. Recently a Malawian acquaintance mentioned to me that she was going to the funeral of a small boy who had died because he had been bewitched. I'm sure my eyebrows were raised quite high as I asked this Christian woman what the child really died from. She told me that actually the boy had broken his leg and it became infected. However, since he seemed to improve for a bit before he died, some people decided he had not actually died from infection, but because someone had put a curse on him.

Death by bewitching isn't something you'll likely hear talked about in the U.S.A., but the devil is still pretty successful there. Is it more common for you to hear the Lord's name used in praise and thanksgiving, or in cursing someone or something? Does your heart feel heavy with worry and concern over your future or for those you love? Have you ever hesitated or neglected to talk about Jesus even when God gave you the perfect opportunity?

Though it's not always enjoyable, we need God's shears on us every day of our lives no matter where we live, because the devil is relentless in his goal to choke our faith. We equally need the Living Water of God's Word to feed and strengthen our faith when we are having trouble seeing the loving Son-light of Jesus Christ. Our Father promises that His shears never miss or prune more than is healthy. "Can a mother forget the baby at her breast and have no compassion on the child she has borne? Though she may forget, I will not forget you! See, I have engraved you on the palms of my hands" (Isaiah 49:15-16).

Right on schedule, the LMC gardener returned from his holiday. He walked the grounds, inspected my work and, much to my delight, confirmed that nothing had died in my care. And my vegetable salad never tasted so good!

Your Sister in Christ,

Amanda Artz, Clinic Administrator
