
RELIABLE LAND TITLE CORPORATION MEMORANDUM

TO: AL DEASON, NBBR PRESIDENT
FROM: SCOTT PARSONS
SUBJECT: BECKY EVANS COMMEMORATION
DATE: 01/18/00

Proposed Annual Award for the Purpose of Commemorating the Life and Contributions of Becky Evans to the Navarre Beach Board of Realtors, the Real Estate Community and Quality of Life in the Greater Navarre Area.

Award Name: Rebecca Ann Evans Memorial Award

Frequency: Awarded Annually if a recipient is nominated and approved. Otherwise the following year.

Award Criteria: Awarded for outstanding and unselfish service to the Navarre Beach Board of Realtors, to the real estate profession generally and to the public.

General Comments: The approval committee should not be shy about withholding the award from time to time in the event no worthy recipient is nominated. The award should never be watered down by considering that it has to be awarded or that it is someone's turn. The award is in the nature of a lifetime achievement award. The award committee will consist of the last 3 Presidents of the NBBR and the last 2 recipients of the award. Nominations can be made by any member of the NBBR by written statement submitted to any member of the award committee with a deadline of November 1 of the award year.

The award is not limited to realtors but rather eligibility should extend to any member of the Navarre Beach Board of Realtors, including Realtors, Brokers, Affiliates and Staff, Past or Present. The award should be presented at the annual Christmas banquet and the presentation should be made initially by the current Board President and then subsequently by the last recipient.

Sponsor: Reliable Land Title Corporation would be pleased to guarantee the cost of a suitable plaque or award of the highest quality for the first five years without expectation of recognition.
