Filling Your Spiritual Jewelry Box

I love the concept of a Spiritual Jewelry Box and am excited to share it with you. My desire is to encourage women to discover their jewelry box and fill it with treasures from God's word instead of collecting earthly treasure that will not last.

Donna Nabors grew up in an average American home and believed life was complete when she married a young minister to become a pastor's wife at the age of 19. She was thrilled to serve God in this new role only to discover things were not as they appeared.

One day she woke up and realized everything in her life had become a lie. But what about her faith in God? Was that a lie too, or was it real?

Donna enjoys sharing how she overcame shattered dreams with her spiritual jewelry box and how you can too.

Donna is the author of *Pearls: 5 Essentials for a Richer Prayer Life* and believes it is in the riches of scripture that all wisdom is found.
