

Power of Love

By Dianna Cudworth

The truth of the matter is:

God loves me

The more I know His love

The more I can love

I love the Lord with all my heart

And love the saints more and more

The truth of the matter is:

I am His and He is mine!

He has come and made His home in me.

If you love the Lord

He will do the same for you.

We will be one with Him

And each other too!

The truth of the matter is:

God sent His Son

To set us free,

Free from death and all the curse.

We know the truth,

And it has set us free!

The truth of the matter is:

The Power of the cross resides in us.

So let us join all together

And release resurrection Power,

Here and there and everywhere.

And fill the earth with all of our children.
