For Immediate Release
February 20, 2017

JohnnyB FITT is regrettably shutting down its operations at 9419 94 avenue in Fort Saskatchewan, AB after 7 years of operating a Fitness and Squash Court Centre.

After retirement from the Canadian Military, JohnnyB FITT started out 10 years ago as a home based business out of John and Barb Bouwman's home. Personal training was offered and Bootcamps took over the parks and schools around the City of Fort Saskatchewan. The dream of having a freestanding facility was realized in December 2009 with the opening at the current location. Over the last 7 years, the clientele has grown to include Runners, Weight lifters, Obstacle course enthusiasts, Femsport competitors, Strongman competitors and loyal Group exercise participants.
