Hi Everyone,

I'm pleased to report that about 10 retirees have joined since July! Welcome new members!

We had another excellent turnout at our July BBQ meeting at the Elks. Dan (& Liz) Krieger gave a lovely presentation about San Luis Obispo County during 1945.

At our upcoming October meeting (on the 21<sup>st</sup>) Leslie Terry from Environmental Health Services, a branch of the County Public Health Department will talk about the services they provide. There will be time for your questions.

It's time to think about our December election for Board of Directors. This year we especially need new people to join the board, as we have several vacancies. Being on the board is not particularly time consuming: we meet 5 times a year: once in each of the months preceding the month of a lunch meeting. Our meetings are typically only an hour long. We especially need a recording secretary right now: someone to take & keep minutes of our meetings; short and sweet. If that's not your thing, there are other ways you could help. I would be thrilled if just 3 people stepped up to help us maintain our organization. 2020 seems like an excellent time to add fresh ideas and perspectives to our board!

If you would like to help our organization in any way, please let us know!

Sincerely,  
Miki,  
President
