

Spring Luncheon 2018: A Commodore, a Captain and a Congressman

Navy League's luncheons have featured Commodores and Captains so it was time to have a Congressman! Richmond Council was honored to have US Representative Dave Brat (R-VA) speak to a full house. This was our best attended luncheon in years. With degrees in Business Administration, Divinity and Economics, Rep. Brat is uniquely qualified to represent Virginia's 7th District. His cheerful personality and comments on "Economics in 2018" enlightened us all. Many thanks to Congressman Brat for being with us. Any questions? You can reach him at davebrat.com
