

ACE IT! POLISH

ACE it! is a premium polish that is safe for *all* automotive and motorcycle finishes. Paint, chrome, glass, plastic, aluminum, stainless, rubber, leather, *ACE it!* protects them all, and more.

ACE it! will not build up in cracks and crevices. It leaves behind no white residue. Simply spray it on and wipe off. You can polish a full size SUV in about 15 minutes. Have a Harley? The black on the inner primaries and the engine blocks can easily be protected with *ACE it!*. It will *not* turn white.

Global Fleet Collision Center is a retail location for *ACE it!* polish and car care products. A 16oz bottle is just \$19.95.
