ROTARY FOUNDATION MINUTE

100% Foundation Giving banner

For several years our club has been presented with a special banner for our individual and collective giving to The Rotary Foundation. Earning the banner means that each member gave at least \$25 to the Foundation and that our per capita giving was over \$100. You might be thinking to yourself, “I don’t recall giving \$25 to the Foundation.” We can all thank our club and Treasurer for making this happen for each of us.

When we pay \$12 fee for lunches, \$10 covers our meal cost and \$2 is deposited into the club bank account. Our Treasurer tracks the \$2 by person and when \$25 has been collected it is sent to Rotary International on the behalf of the club member. As for the \$100 per capita, we can simply be grateful for members are able to give more.
