

Statement *peace* admire it. wear it.

From the seed that first lays
it's roots in the ground and
sprouts to see the sun for
the first time, each tree has
a journey that begins.

*Each tree has a past, a
present, and a future.*

This is the epicenter for my
art and where it begins. It
begins when I get my hands on
the wood and see the depths
of the grain and the
uniqueness of each piece.

I take my passion, my
ferocity, and whimsical
nature to create a piece that
truly embodies my spirit.

*Nothing satisfies my
creative soul more than
my work finding a
new owner to take my
art on it's new
journey of life.*

To inspire a person to wear
something that is unique,
exciting and what is a
Statement Peace.

Wholesale 2018

pieces of peace:

We source wood from various places in the United States giving each piece a unique one of a kind look. We use natural materials such as cork, mother of pearl and abalone.

packaging:

At Statement peace, our brand motto is “admire it, wear it”. We treat our jewelry like pieces of art. Therefore, each piece of peace comes with its very own wooden display that the buyer receives with their purchase. This allows the sentiment to remain.

jewelry for all:

Our pieces of peace are designed to be worn by one and all. Everyone deserves a little peace.

merchandising:

We provide our retailers with an “About the Artist” retail display which houses our branded envelopes and jewelry boxes. Simply assemble the retail display and arrange your pieces of peace collection. Voila!
