REQUEST FOR QUOTES

PROJECT: Electrical Work

Quotes submitted after the due date will not be considered. Consultants accept all risks of late delivery or spam delivery submittals regardless of fault.

EAB Construction LLC reserves the right to reject any and all submittals and to waive irregularities and informalities in the submittal and evaluation process. This RFQ does not obligate EAB Construction LLC to pay any costs incurred by respondents in the preparation and submission of their quotes. Furthermore, the RFP does not obligate EAB Construction LLC to accept or contract for any expressed or implied services.

General Information

PURPOSE/BACKGROUND: EAB Construction LLC is soliciting requests for quotes for the purpose of performing and completing electrical work. The project is approximately 1255 square feet, located in the Atrium of the North Terminal of the HJ-AIA. All work will require all workers to pass security backgrounds. Work will be performed at the hours of 11pm to 5am only on Sunday through Thursday. A 72 hour notice and approval is required for any other work performed outside of the hourly range. Tool lists are to be submitted for approval for all work located in SIDA (Security Identification Display Areas) of airport. The project site is located in a non-SIDA area but all work that will be performed is considered to be under SIDA restrictions. Only work performed below or above the project site will require tool lists approvals. All work is scheduled for completion by November 20, 2018.

BRIEF SCOPE OF SERVICES: Vendors shall provide a scope of work and project quote in accordance with the information provided in this request. The Quote must include the following elements:

- Detailed work plan that identifies the major areas of work
- An estimated proposed timeline for deliverables
- Brief safety plan for maintaining tools and work area.
- Detailed cost estimates.

QUALIFICATIONS:

This project will require the firm or individual to have the following qualifications:

- 2 to 5 years of related experience
- Valid trade licensing

- Security clearance with Hartsfield-Jackson Atlanta International Airport which may include parking, badging, and driving.
- Extensive experience executing electrical processes.

SUBMITTAL REQUIREMENTS: Responses to this RFQ must include the following information:

- Valid GL and Workers Compensation Insurance.
- Valid trade licence or equivalent
- List of workers for this project.
- Provide relevant safety certifications.
- Scope of Work and Project Quote, including a proposed schedule with key milestones and deliverable dates, and cost estimates.

PROPRIETARY QUOTE MATERIAL: Any proprietary information revealed in the quote should, therefore, be clearly identified as such.

EVALUATION CRITERIA: Evaluations will be based on the criteria listed below:

- Experience of firm with similar projects;
- Overall quality of statement of qualifications; and
- Quotes within budget restrictions and timeframes

QUESTIONS: Questions regarding this project may be directed to info@eabcustomhomes.com.

CONTRACT NEGOTIATION: EAB Construction LLC reserves the right to negotiate all elements of the submittals, quotes, terms and conditions, and/or scope of work as part of the contract negotiation process prior to any formal authorization of the Contract.

PROJECT DESCRIPTION

Located at HJ-AIA, 6000 North Terminal Pkwy, S19, Atlanta GA 30320. We are currently building out the proposed site for a barbershop and salon which will be know as The Barber Shop Atlanta and Salon. Partial electrical work rough-ins have been executed for some wall framing through-out the site.

ITEMS FURNISHED BY EAB CONSTRUCTION LLC

- See attachment for electrical designs.
- Please review attached General Notes.
- Subcontractors Agreement
- Safety Manual will be delivered when vendor has been selected.
