

Hold Harmless for all schools;

I understand that Alabama Medieval Fantasy Festival/Oaksenj Inc./The Kingdom of Dragon Croft are a certified school educational field trip. I also understand that it is held in a very rustic, outdoor setting, that includes but is not limited to fields, hills, gullies, creeks, a pond, trees and woodlands. There are to name but a few, fish, snakes, lizards, birds, bugs, rabbits, and deer. I have instructed my child/children to stay with their teacher, chaperone and group. I agree to hold Oaksenj Inc. the Alabama Medieval Fantasy Festival/ The kingdom of Dragon Croft fully and completely harmless for any and all injury, to my child/children and or their property or person.

I contend that I am the parent or guardian for (print child's name)
