

WHY FAIR DISTRICTS MATTER TO YOU!

Do you feel that your vote doesn't really count?
Why is there polarization, bitter partisanship and gridlock?
What happened to the moderate middle?

PROBLEM: GERRYMANDERING (the manipulation of boundaries to favor one party or class)

SOLUTION: FAIR DISTRICTS PA is working to assign congressional redistricting power to an
INDEPENDENT CITIZENS COMMISSION

FAIR DISTRICTS PA can:

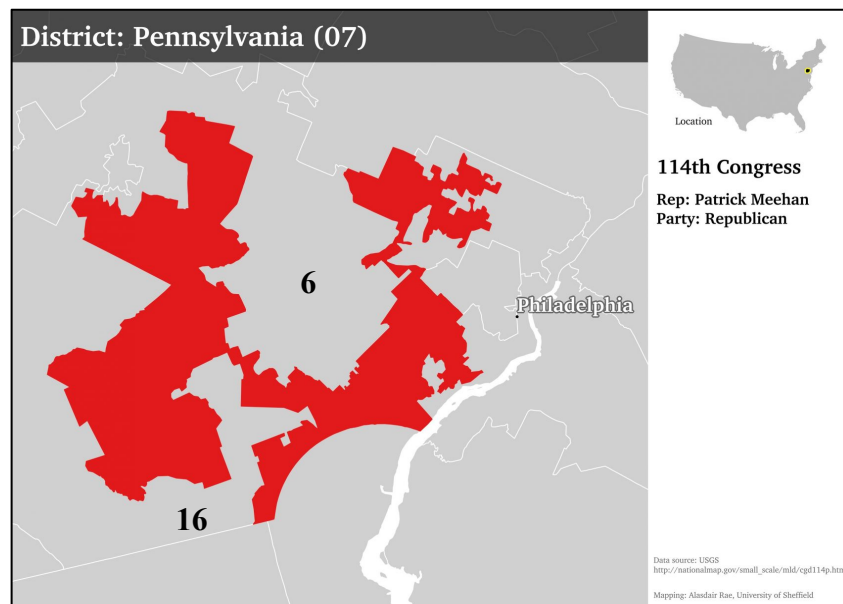

- ✓ Comply with PA Constitution
- ✓ Promote Democracy
- ✓ Alleviate voter frustration
- ✓ Allow citizens to decide; not politicians, not lobbyists
- ✓ Make every vote count
- ✓ Give small businesses a fighting chance
- ✓ Improve productivity and prosperity
- ✓ Prevent high cost of litigation

AND in the words of...

RONALD REAGAN: “[*Gerrymandering*] is the greatest single blot on the integrity of our nation’s electoral system and it’s high time we did something about it.”

JOHN F. KENNEDY: “Let us not seek the Republican answer or the Democratic answer, but the **Right** answer.”

DISTRICT 7 IS REGARDED AS ONE OF THE TOP 10 MOST GERRYMANDERED COUNTIES IN THE U.S.!
CHESTER COUNTY ALONE IS DIVIDED ACROSS THREE SEPARATE DISTRICTS
