

Spoken Word is the Original Seed # 9

Book 2

'His Image; Seed and Seeds'
Bro. Lee Vayle - June 27, 1993

Shall we pray: Heavenly Father, we thank You for Your Word of truth which has been given to us in this hour by vindication knowing indeed that we are dealing with the one true God, and we are grateful for that. Knowing also, it came by a prophet which we recognize, knowing that, therefore, that whosoever receiveth whomsoever You send receives You, and thereby, also receives the One that sent You. Knowing, therefore Lord, we stand in this hour, this precious hour Lord, that You've given us, we rejoice with You with joy unspeakable and full of glory down within the inner man. And though it's sometimes hard to translate that into the outer man, by reason and those things which cause the impeding thereof Lord, we know that by the faith of the Lord Jesus Christ we shall be victorious and it does not rely upon any sense or any reasoning or any feeling whatsoever, but truly upon the realm of faith, the revelation, which Lord, we know we have and rejoice in It. And therefore Lord, and thereby, we stand in the faith of the Lord Jesus Christ as even as Paul did, so we accept all these things Lord, knowing who we are and who You are, and thank You for what You have done for us in this day and allowed us to receive It. Help us, therefore Lord, in the further unfolding of Your Word. We give You praise, in Jesus Name, Amen. You may be seated.

1. Now, last Wednesday, before I get into number 9 here, we were dealing with the fact of God's Word to Adam, particularly in the very beginning, in the form of what he was which was a form of spirit, and at that time there was no possibility to procreate. Angels don't procreate; neither do spirits procreate. Spirit beings are strictly those of creation and are not given to multiplication. And it was only in the second process wherein Adam and Eve, or Adam particularly, the second creation as I see it.

Now, remember I spoke to you concerning the fact is of my understanding from what Bro. Branham gave us the clue to Eve being a by-product of Adam, and therefore, in another class in the sense of you would call, what would you call that?—oh, not exactly importance, but superior, the superior condition. She literally then, was opened up then to an inferior condition on the grounds of the capability of falling.

2. And so I see, therefore, the next thing I apply this reasoning to, and this understanding to what I mentioned here in Genesis, that 1st chapter, 1:26.

(26) ...God said, Let us make man in our image, after our likeness:...

And in there, of course, Bro. Branham said, *"This was a spirit man."*

3. But when you take this back to the Word of God where Paul is really revealing to us in Hebrews, if you're going to make man in the image of God, you're simply got to get right back over here to the Book of Hebrews in the 1st chapter, and Paul tells you,

- (1) God, who (in many parts, in many ways)...spake in time past unto the fathers (in) the prophets, (God in the prophets speaking to the fathers, the progenitors, therefore, bringing like seed as they are to follow their footsteps.)
- (2) Hath in these last days spoken unto us by (or in) his Son, (in Son, in the form of the Sonship, and in that particular Son.)...

In other words, God is not using the prophets now in whom was a portion, but He's using this particular One, to reveal Himself in His fullness. Bro. Branham said, "*The prophets had a part of the Word and were, therefore, themselves the part of the Word.*" This was the fullness. And that's the truth: the fullness of the Godhead bodily. All right.

4. He has spoken in the Son and in that particular office. I don't like that word 'office'. I like the word 'role', because it is much superior as you're speaking of God fulfilling His own great drama, which many people do not have the understanding that God must fulfill Himself. You know it's alright, you know, we hear this same thing today in kids; the kids want to be fulfilled. They want to be fulfilled. They want to be fulfilled. And the woman wants to run around; she wants to be fulfilled. She wants to be fulfilled. Why don't they just shut up and begin to reckon with reality? You know, the point is when you're looking...go to the very source and You think God doesn't want to be fulfilled? That's why everybody wants to pray. They want to use prayer as a gimmick. Everything under God's high heaven but getting back to the Word.

Now this whole thing is a fulfillment of God whether you want it or not because God is sovereign and He can blot you out like a gnat. Now let's give God credit for being who He is; He's God and He's Father. He's a Progenitor. And His fulfillment is as Bro. Branham said, "*New Jerusalem, the Lamb on the throne, the Bride around the throne, the attendants around the Bride and the rest outside bringing their glory in.*" Now if people just begin to have an idea of really wanting to please God, which Bro. Branham said; he always wanted to please God. What a difference there would be in the quality of Christian life! So, all right.

5. You're looking here now at God expressing Himself in the role of Sonship. "This is my beloved Son in whom I am pleased to dwell." That's exactly what He said to John, "When you see that One that you're baptizing," He said, "now that's the One upon whom the Spirit of God comes and remaining upon Him, that is the Son of God." Now, now watch what it says about Him as to His pre-existence. Now remember, every one of us had a pre-existence in the Book of Job, "Where were you?" I can never remember exactly who clapped whose hands, 'the sons of God' or 'the morning stars shouted'. Which shouted? Which clapped their hands, doesn't make any difference? There's a pre-existence. Now that's what you and I do not remember. So whether simply in the mind of God, and there's a hallelujah chorus going on in His mind or what, I care little or nothing. I don't have to go that far back. I only go that far back and know this.

Watch this one that goes all the way back. Before there was a speck of stardust, before there was anything created, this is the One that was formed, and Bro. Branham calls It, "*The light that formed*". Now what was in that light as per the intrinsicity and a true spiritual substance and form? Well, you better believe it had to do with arms and legs and everything else because that's exactly what Adam came forth in, and as Bro. Branham categorically said. "Now," he said,

“Look,” he said, “if there’s a shadow of an elephant and the reality turns out to be a spindly little man, there’s something awful wrong.” Right?

6. Now listen to this one, [Hebrews 1:]

- (3) Who being the brightness of his glory, (that’s the effulgence, the out-raying,) and the express image of his person, (that’s the expression of his substance.)

Now that’s what you’re looking at. And the Bible tells you, “He left that to take upon Himself the form of a man.” Now remember the form or the image was His originally, “Let us make man in our image.” So now you can’t have an elephant with a spindly little man. So what you’re looking at now, is the chief Son with many more sons, which we will look at, and begin to see here. And it says,

- (3) ...upholding all things by the word of his power, when he had by himself purged our sins, sat down on the right hand of the Majesty on high;

7. You are literally looking at the fulfillment of Almighty God in the highest peak possible. In this only begotten, One of a kind chief Son, “This day have I started my posterity in you.” And you simply can’t get around it. You look at it and you accept It. That’s the only way I can ever get Bro. Branham’s message is to my own life, and understanding. I believe what he says, and I start looking at Scripture for it and I find it. And you know It’s the truth, because I do find It.

8. And He said, “Let us make man in our image, after our likeness.” Now I don’t know too much about the word ‘likeness, but you could also use it in a...sort of a vulgar way, you might say here, according to how God likes things even, to what I like. And I’m saying this, because oftentimes we don’t like it. I think we ought to be smart enough to like what God likes, because He couldn’t make a mistake. He couldn’t start with oats and get wheat. And you better believe when He started with Adam, He’s not going to get anything but a bunch of little Adam’s right back. Now this was made in that image. You can talk all you want about image is broken and this and that thing; I’m not interested, although it could be perfectly true, Bro. Branham used the expression himself. Doesn’t matter to me, because I’m going to get reality at the end of the road; so I’m not looking at a bunch of broken images and crackpots and everything else, I’m looking at the vessel that’s going to be glorified.

9. And we’re going to come into His perfect image according to 1st John 3.

- (2) Beloved, now are we the sons of God, and it (hath never yet appeared we shall be...no,) he shall appear, we shall be like him; for we shall see him as he is.

When the full revelation comes at the end time that’s exactly what you fit into. That’s your becoming. Now you’re at the end time now. All right.

10. We’re looking at this and He said, “Let us make man in our image, after our likeness.” And it says, “Let them have dominion,” He’s talking about posterity here, now. In whom I started

my posterity, this only begotten One, there's going to be many more little Jesus'. Bro. Branham even calls them "*Messiahettes*," referring to the fact of the church in the feminine. But you better believe that there's not one feminine thing in here except for procreation. And let's face it, there's not any masculine either, except for procreation. You say how do you know? Because we end up as the angels of heaven, neither marry nor are given in marriage. Not that we're neutered but there's a neutrality there. So if you end up that way, that's how you started. You see, that's where I'm getting my understanding right here, that next thing he said, "So God created man in his own image, in the image of God created he him, male and female, created he them." So you start with the 'him'. Why? Because that's where He put the life. Now there's got to be something reciprocal to take the life and bring it to pass, because that's how God ordained it. Now God could have said, "Adam, start cloning yourself." And that's we'd of been a bunch of clones.

11. Now, let's look at it. We look at this thing here, that sex has caused us so much problems and so many pitiful problems, then we want to blame the woman. Why? What do you got to blame her for? Bible distinctly says, "The woman is of the man." So what are you going to do? Cuss the man out now and say, "Woman, you got to be a heap of junk." You can't say that, otherwise, you are destroying your own character and calling yourself a bunch of junk. The Bible also says, "The man is of the woman." So she's a step down, you're a step down.

You know something, it's psychological true, right across the board that women marry above themselves and men marry below themselves. There's your Bible. You can't find one psychologically law that is truly true, and not find it right here in the Bible. Does that mean the woman is a bunch of crud and man marries down to her and use her as a doormat? Not saying that. Not saying that at all.

12. See, now look it. I tell you here, according to what Bro. Branham said, "*The woman was outside the original creation*," the woman per se, outside, and he's talking about the flesh and she came from him and it's like a step down. That's why you could have a hybridization. It had to be that way. The vessel bearer, the vessel that bears, that's why I'm saying here, I can see in here the original, God made this one here in His image. Now notice, Jesus never had sexual relationships. No way. So therefore, when Bro. Branham come on the scene he tells you in the beginning sexual relationships was not what God had done. It would have been a spoken Word seed child and that Eve should have borne that child apart from sex. And she should have borne Christ. He is not simply talking up a storm and talking through his hat and trying to bring in something that makes William Branham a poor little Kentucky hillbilly with a great ministry, look great and mess the whole thing up, because he couldn't understand that God simply gave him a lovely gift of healing for the world, go out there and exercise it. They still haven't got a clue about a prophet. See? So we're looking at this picture here.

13. Now, the major understanding here is God who is Life, who is Spirit, desired to have many children, a family, and the thing is that family is of His species or of His life, the same as is everything He created. Now, when you're going to build a house, or you're going to do anything, even to the extent of that which is creatorial, whether you believe it or not, and you have to believe it, because you know it is true, you cannot go beyond your own self as to your tastes, your desires, your requests, your formulations, and everything else. You can't help it. Other words, why is a certain lady wearing a blue dress, a man wearing a black suit, and everything else?

Everything is a reflection of you. And if you step outside of that reflection you now are beginning to go in a process of reasoning and self destruction.

14. So now God says here, "I'm making these in My image after My own likeness." And it is the life that you are looking at, and that original reflects God whether you want to believe it or not. I don't care how much Satan steps in. I don't care anything about that. I don't care how Satan forms women, as to the fashioning, the word is '*fashioning*' as Bro. Branham brought out, he can fashion the men also. But I'm going to tell you something, there is an only begetting; now watch carefully what I'm saying, because I'm relating this to what I just said. All right.

He said, "This day have I begotten thee. I have started my generations in you." But he turns right around and He said, "This day have I begotten you, and it is from the dead." And from the dead, that body came forth a hundred percent commensurate with what was within him. He had to take upon our form, take upon flesh and blood, in order to shed the life that was in the blood because that's where it was, the life, that blood cell. And that blood cell had that life that contained that soul. God breathed into Adam the breath of life and only then he became a living soul, at that particular time. Now that cell was broken, so the soul of Christ, actually died, blood shed, and the life was...the soul of Christ was brought back upon us.

15. Now, this is what I am saying here, therefore, now what you are looking at here, in this particular sense is that fact of that life that is neither male nor female, but is the life of Almighty God. Now you're going back to those days when you were back in there, and you're called sons of God. You're brought forth here in this very hour and now you went through the flesh process and in the Resurrection you have another birth apart from your original birth of flesh, which made you to have another birth which is a re-birth, the water watering the seed, that puts you commensurate with what you should be. Not back there alone, but now in this life, but you will still die and when you come forth you will have another birth. Three: God doing everything in three. Natural birth, re-birth, and a re-birth. And from that time on you'll be in a position whereby the will and wonderments of God can be more thoroughly fulfilled and will be perfectly fulfilled.

16. So, I look at this and I see in here what he says. Male and female now, to me, is a further creation. The appurtenances thereof, which cannot be in spirit alone, because spirits don't multiply. And God blessed them and God said, "Be fruitful and multiply, and replenish the earth." Now you notice what he's saying in here, there's a repetition of what is in verse 26. And He said here, "In our likeness let them have dominion over the fowl, the fish, and so on and so on." Then again He says, "Be fruitful and multiply and replenish the earth." Now watch! "And subdue it and have dominion."

Now you're dealing with two particular things in my understanding. You're dealing number one with what we see here, where the word 'subdue' in the Hebrew is not the same as the word 'subdue' and 'subjugate' as you see in the Greek.

17. Now, what is God come down to do at the end time? The Bible distinctly tells you here, and it's in 2 Thessalonians, I hope I can keep my thoughts in continuity, because it's very difficult to do this without notes. And it said here, in verse 7, chapter 1 of 2 Thessalonians.

- (7) ...you who are troubled (relax), when the Lord Jesus shall be revealed from heaven with his mighty (messengers),
- (8) In flaming fire taking vengeance on them that know not God, and that obey not the gospel of Christ:

At the same time He's going to come down to be glorified in His saints. See? Now remember there has to be a binding of the tares, the separation before these (the wheat) gets taken out and the fire descends. So, all right. We see what is going on here.

18. Now let's look again at 1 Th 4:16, and this is to the people who are born again, the Bride. And he said, "Now, I don't want you to be ignorant." See? In 1 Thessalonians, because it could have been that 2 Thessalonians should be 1 Thessalonians, and 1 Thessalonians should be 2 Thessalonians. You say, "Why?" Because these people are upset, and the only way you can get upset and be a little screwed up in your thinking is to take 2 Thessalonians and say, "Oh my, He's coming with fire. Where's that going to leave us?" And Paul is saying here, "Now, hold it, don't be afraid. And don't be ignorant."

- (13) ...concerning them (that) are asleep, ...(and you) sorrow not, as others (who) have no hope.
- (14) ...if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring (forth) with him.
- (15) (Now) this we say unto you by the word of the Lord, that we which are alive and remain unto the (Presence) of the Lord shall not (go before) them (or take any precedence over those that) are asleep.

In other words, don't get any fancy ideas now because this is going to come at the end time and didn't come before. Like John said. Something is coming at the end time that never happened before. So don't you get all smart in your own thinking.

19. Now remember at this particular time, you've got to understand that every people that have a religion are convinced they have the superior and they become supremacist like racist's. Now, I want to ask you all a question. If we don't have the supreme religion at this time and are supremacist or supremacist's, what are we? Now here is the crux; don't get smart with your knowledge and that you have the supreme wisdom of the ages in this hour, and you are actually only by the grace of God a supremacist. It's a supremacist or supremacist, [Bro. Vayle pronounces it two different ways.] who gives a rip? You're it. Now hear what I just read? Shall not think themselves, prevent or think they're taking any precedence over anybody or anything, because this is strictly a work of God. And It has nothing to do with us, within ourselves, as though we initiated It or had anything to do with It. See. There's real humility here.

Now every religion around us, Catholic religion is going to prove one day, they're right, by forcing issues. Everybody is going to try to prove it. The Mormons tried to prove theirs. The latter rain Pentecostals, every single person, my brother, my sister, this is something we don't have to prove. That's why this church does not go for gifts and everything else, as though we've got to have it to prove something.

20. Now, I'm not against gifts, but I want to know here in this church who has the gift of discerning of spirits, because if somebody here doesn't have it, we can't have them. You say, "Well, Bro. Vayle, let's give it the Word test." I'm doing my best to give it the Word test. What do you think I'm doing? We're not going to go out half-cocked with a lot of things. I told you I've had gifts in my life and they worked. I even stepped into a realm that wasn't even mine and Bro. Branham said, "*You had a lot of genuine discernment but you did make mistakes.*" Then get out of the picture. And Bro. Branham said, "*Why settle for half if you can get the whole?*" Not talking about a slice of bread and a loaf of bread now. But he said, "*Why would you settle for the inferior when the heavens are full of the real.*" Only thing I know the heavens are full of right now and came down is the full Word. You're in a position now, not necessarily using gifts and acting on those particular grounds, but you're in a position of believing. You're in a position of not even asking, but only believing and go about living a good Christian life, dedicated to God, these things will fall in your lap. Because the Christian is like the tree planted by the river who does not cast the fruit or the leaves wither, but stands right there. Even today we're not learning to be full beneficiaries of what has been given us.

21. Now it said, [1 Thessalonians 4:]

(16) ...the Lord himself shall descend (and) with a shout,...

And that word is a command, and it's the same word that's used over here in 1 Corinthians, the 15th chapter, which has to do with the Resurrection. So at the time of the Resurrection at the Presence of the Lord,

(20) ...(as) Christ (is) risen from the dead, become the firstfruits of them that slept. (He's the first one and the only one at that...that could do it, be the firstfruit, the rest are afterward.)

(21) For since by man (is) death, by man (is) also the resurrection (or the annulling of death, to bring back the body,)

(22) For as in Adam all (died, in identical manner,) in Christ (are) made alive. (We were sold into it, now we get bought out of it.)

(23) But every man in his own order: Christ the firstfruits; (afterwards) Christ at his (Presence).

(24) Then (will come the end), (Now notice, notice how the thing skips and yet it doesn't skip. Because it says,) when he shall have delivered up the kingdom of God, even the Father; when he shall have put down all rule and all authority and power.

(25) For he must reign, till all enemies (are) under his feet.

(26) (And) the last enemy...destroyed is death.

22. Now that's not until the lake of fire; it's only nullified. I can prove it to you, because it says over here in the Book of 1 Corinthians, the same chapter, it says, "Now listen here, I'm going to tell you, we shall not all die." No way, shape and form. But it says, "When the

corruptible puts on incorruption, death is swallowed up in victory.” Doesn’t say it’s destroyed. It says, “It’s taken like an animal, a wild animal in a net.” It’s restrained. Over here, it says, “Destruction.” So, you’re looking way down the road. “For he hath put all things under his feet, but when he said all things are put under, it is manifest that he is left out which put all things under.” So you got two people working here now. The same as back in the beginning, “Let us make man in our image,” this One is saying right here, “I’m putting everything under your feet except mine.”

When did Jesus ever take away the Headship of God? He can’t...can’t be done even here. I hope you’re following what I have been teaching here. I’ve been teaching this for years, to try to get you to see this thing. See? He is left out.

23. And when all things shall be subdued, there’s that word ‘subdued’ under him, then shall the son also be subjected. Now, you’re looking at in my understanding, two kinds of subjection, for the Lord comes down with the Shout, that brings the church under His authority, which is the Word. And that Word isn’t there, you that are troubled rest with us, when the Word Himself shall descend from heaven to make destruction and yet to glorify Himself in you. So you get what I’m looking at? There are two types of subjection that I see in the Bible. Now right or wrong. I won’t argue the point; I’m just telling you what I see.

24. Now listen! When He says over here now, in the Book of Genesis, He tells you, right off the bat, He says, “Have dominion,” that’s chapter 1, verse 26. But over in verse 28, He’s talking about the multiplied people. And they must subdue and they must have dominion, which means to break into pieces. Now, let’s take a little further look. Second chapter,

(7) ...the LORD God formed man of the dust of the ground, (Now He’s forming this time) and breathed into his nostrils the breath of life;...

Now He’s neither forming nor creating, He’s breathing, and this is the Holy Ghost. And He’s breathing into him the breath of lives—l-i-v-e-s—and at that time man became a living soul. So now he’s not just spirit and body, he’s got a soul. And the soul is actually a portion of the Holy Ghost and is giving this man the momentum, not...even his wife now, uh, uh, nope, nope, nope. He’s giving the man the momentum to be the procreator, or the progenitor, or the vessel that God is using to bring these sons in flesh.

25. Now you tell me the woman’s got life? She doesn’t provide the soul. She doesn’t provide the life. She hasn’t got it. She provides the egg. Now let’s get the picture straight, right down now, whether you know it or not, or understand, she is a step down. Yeah. Oh God, help us to understand that this is not chauvinistic male pigs, or male religion; it’s the truth. Because every woman has the individual soul from God the same as the man. But there’s no way she can pass that life on. You clone the egg of a woman which has life in it; it will absolutely produce a female. What about the male? He’s got the X and Y chromosome, what will he produce? God knows; I’m not cloning anything. I’m just telling you, that’s where it is. Do you understand now why the woman is by the man and yet the man is by the woman? The woman was made for man, and not man for the woman.

26. Now you see nobody's ever found the harmony and Bro. Branham came against it in Marriage and Divorce, and tells you why these things are. This is why the onus is thrown onto the woman to say, "No." And if she's ever raped; death, I am for it, you take a bullet and [Bro. Vayle whistles.] right through his cotton-picking brain. But the government's supposed to do it, unless it's done in the heat of passion. Not premeditated. The woman is to keep her vessel. The man is to keep away, if he smarts off, he's to die for it. I could explain some more things here. I'm not going to do it.

27. What I just want you to see here, is the fact I'm reading over here, God breathed in his nostrils the breath of life, he became the living soul, the progenitor, their life carrier. And God made a Garden and He put them in the Garden and said, "Take care of the Garden." Now you don't break anything in pieces and mess in the Garden." The subduing and the controlling of nature is working in harmony with it. But remember, there was a skunk at the garden party, and his name was Mr. Serpent, Mr. Beast. And the Bible says, "Satan walked in the Garden of Eden." And he had on an ephod which was almost identical to the high priest. Remember, I read in Ezekiel and Isaiah, last week, last Wednesday, I read it to you. And in there that skuzzball came along, and he acted as the high priest to Eve and the prophet. He transformed himself as an angel or messenger of light, when he was a messenger of death and destruction and she fell for it.

28. Now listen! I'll read to you today out of Daniel and we'll see the stone that's made without hands, Christ in the form of a ...?... perfect human body, the Son incarnated by the Father, that One comes right down, and destroys what? The end of the Roman Empire. And He's right here to do it now, He's just waiting for us to get all gathered in and we meet the Lord. Where? Just up in the air. In a what? Dimension. That's all, because heaven is merely a dimension, place of authority. We meet Him in the incarnation. We come back and utterly destroy, break in pieces, and cause the whole thing to be chaff.

29. I'm looking at two things. I want to ask you one question. Do we believe women go to war? Now if you're a Jew, you'll believe it. Because the Jews no longer believe you come from Abraham, you come from Sarah. Did you know until a short while ago that you never heard of homosexuals outside of the Jews? "Now come on," you say, "Lee, you're a Jew baiter." I'm not a Jew baiter. I've read the articles. And in there they said, "Homosexuality based upon Jewry, especially comes from the women, because it's an Oedipus complex." Come on, how many of you read your newspapers years ago, in articles? Am I the only bird that reads anything? I'm telling you. Jewish men. Today the Jews have no trouble, homosexuality is a hundred percent in the open and endorsed. Now let's get the picture. The Jews claim they're Jews because of the women. Hogwash! They were in the loins of Abraham. The life comes through the male. And that doesn't make him macho and this and that and the other thing. If he had an ounce of brains he would know that his sowing is absolutely limited, no matter what he thinks he feels concerning his sexuality, and the desire to disseminate and everything else. Because he's supposed to be in the image of God. And you show me where God copulated with a whore. Come on.

30. Now whores want copulation. The church even claim, she got it, she's having spiritual intercourse to bring forth sons of God. Hogwash! You don't come by a church. You're either Word and you're watered. You're either child and you're literally baptized in here by water, [Bro. Vayle makes sound.] to begin to come forth in the life that we missed, because by the Holy Spirit we're just literally commensurate to the Word body we by-passed. But one day we will get

it and then you'll watch as it begins to move and move. You can't do it just yet, that's why there's further sanctification and further and further. And only after Satan is destroyed and we're in the New Jerusalem do we really begin to fly. And you're in a fifteen hundred mile high city so you should be able to fly. Right? Talk about a rarified atmosphere in the oxygen of God. This is just all typing. All right.

31. You see why I said the things I said the other night. I'm just trying to make them clearer and clearer to you all the time. Why I believe what I believe and it's based upon what Bro. Branham said and he brought in there the fact of the step down where hybridization could take place. But hybridization cannot take place in the soul. In other words, if you are truly a seed of God, your soul came from Him, that's the way it is. That's that gene, then you are a part of God, that life, and I don't care what the manifestation is, the point is in the flesh. Sheee. I've never seen a sheep that couldn't do every rotten thing a goat could do, and maybe do it better. And all I got to do is think of David and I can excuse myself, (and although I don't,) and I can think of Solomon, then worshipping other gods, after Jehovah came down, visibly smoke filled the temple. And I can see people right today, in spite of that, walking right away, after having claimed it, "Oh yes, if we don't...if this isn't the real thing, we'll know the real thing." As the old Scotsman said, "You wouldn't know God if you met Him in your porridge." I'm not Scotch. My mother had some Irish ancestry that will account for it, I guess, the quick of temper, but I'm not Irish, don't worry. Okay.

32. I'm a son of God. That means my lineage is neither Irish, French or anything else. American Canadian, it's the lineage of Jehovah. I'm a Jehovahite through Jesus Christ, my elder brother. He's really no older, He just got manifested quicker. That's all. Okay. I think I covered that well enough, except for I want to go to Genesis, the 3rd chapter there and look at the word 'seed', because that's what we're talking about here, and in the 13th verse of 3...

(13) And the LORD God said, unto the woman, What is this that (you have) done? And the woman said, The serpent (seduced) me, (so I got in the act)...

(14) And the LORD... said to the serpent, Because thou hast done this,...

Now you know what? He believed the woman, right now, He didn't question her. And you notice, how well she told the truth in His Presence. Bride will always go with the truth. She won't try to hide anything.

33. "Ho, bless God, I'm not wretched, miserable, blind, naked, hallelujah. I'm a son of God, and millions now living will never die, I'll even speak in tongues to prove it. Ha, ha, ha, raised the dead. I ain't going to believe it." Judas did and he was the devil. Foreordained, not elected, but selected, chosen. It was written of him in the Book, but he wasn't written as elect, but he was in the Book of Life. Oh sure. No problem. Canaanite, he did what Cain did.

(14) And the LORD... said unto the serpent, Because (you) hast done this, (you are) cursed above all cattle, and above (the) beast of the field; upon (your) belly (you will) go, and dust (you will) eat all the days of (your) life:

All the days, all the days, right down there; we got the boa constrictor, right today, remnants of hips. Doesn't procreate like other snakes do. No, no, no, he's different. Snake blood, you know, is very close to human blood, they figure of using the serum.

(15) (Now) I will put enmity between thee and the woman, ...

Enmity! Enmity? Enmity? Hey, where am I going to turn? Where's Pete? He's got the answers. Now if I'm going to use the word 'enmity'. Where am I going to turn? Come on, speak up! Speak up, come on, come on, come on, you're not a bunch of scared babies. Okay.

34. Rom 8:7 Let's go before that, let's go to verse 5 and...

(5) For they that are after the flesh do mind the things of the flesh; (Ah ha! What was Eve doing with the Serpent?) but they that are after the Spirit the things of the Spirit.

(6) For to be carnally minded is death; to be spiritually minded is life and peace.

(7) Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be.

So what did Eve do? You don't know yet? Okay, where am I going to turn now? Come on. You don't need to clam up on me please. I'm not here to hurt you, I love you. I want you to know your Bibles. Okay.

35. 2 Corinthians, the 11th chapter. Now how often do I go there? Okay.

(2) For I am jealous over you with (a) godly jealousy: I have espoused you to one husband, that I may present you as a chaste virgin to Christ.

(3) But I fear, lest by any means, as the serpent beguiled Eve (Ha ha!) through his subtilty,...

He reached for the enemy of God. Right there. [Bro. Vayle whistles.] A part of you is an enemy of God. Your mind! Now if we ever get reading, we'll read it. The enemy of God.

(3) (Lest) I fear, by any means, (any old thing he can do to do it, use gifts, beguiling, give you position, juggle you, beat you, kill you if you don't agree. Anything goes.)...so your minds should be corrupted from the simplicity that is in Christ.

And then you get another Jesus, another ...?... okay? What am I reading back here? "I [will] put enmity between thee and the woman, and between thy seed and her seed, it shall bruise thy head and thou shalt bruise his heel." So, all right. You got an enmity. All right now.

36. There's going to be something now that down the road [End of side one of tape] there's going to be a differentiation. There's going to be a seed that has something that is the enemy of Satan, and Satan has something that is the enemy of this Bride. Okay. Where is it? The Bible tells

you. It's in the mind. It's right in your brain. Right in your mind. And this is exactly what happened. Eve reasoned, but there will be a Bride who doesn't reason. And the Bride does not reason. The Bride does not use her mind. If she's true Bride, she doesn't do it.

37. Now come on, let's go to Romans, the 10th chapter, the 6th verse.

(6) But the righteousness which is of faith speaketh on this wise, Say not in thine heart, (Question.) Who shall ascend into heaven? (that is, to bring Christ down from above:)

(7) (Question.) Or, Who shall descend to the deep? (that is, to bring Him from the dead.)

How are you going to get Him down, when you get Him down and kill Him? How are you going to get Him up?

(8) But what saith it? The word is nigh thee, even in thy mouth,

It is not in your mind. It doesn't have a thing to do with reasoning. You simply say what the prophet said, that's it that ends the whole thing. And I'll find it in the Bible, because the Bible can't lie. What did Jesus do when he was confronted by the devil? He said, "It is written." What did the devil say to Him? He said, "It is written." And when you say, "It is written," and you use a carnal knowledge, you have fallen into the hands of the devil. That's what this whole sermon is about right here. Get rid of your thinking. Get rid of your reasoning.

38. You ain't got a think coming, but I'm hated for it. Well, they left. Oh, I'm terribly upset. No, not at all. Did you know one month before the chips were down that man on the phone phoned me and said as we talked about these things, he said, "Bro. Vayle," he said, "would you prefer that I leave the church?" I didn't know he was going behind my back writing all little things and trying to persuade some of you people right here.

And I said, "What are you talking about? What for? What's been going on?" Conscience, sneaky, sneaky. When you're in the Presence of God, you use fig leaves. Yeah, enemy. Let's go back. Seed. Seed against seed. Seed against seed. Seed against seed. Okay.

39. Let's talk about seed. Seed. Bro. Branham said, "*The seed she should have borne was Christ.*" Spoken Word Son. If she would have said, "Be it unto me according to thy Word," -she didn't. She listened to Satan. Her reasoning came in, crept in. "Hey; it can be done this way: A million more in '44." Right? "A million more in '54. A million more in '64. And five million more in '74. And ten million more in '84. And a hundred million more in '94." How many are truly born again? Can the church by its reasoning of creeds and dogmas bring forth spiritual children unto God? No, because they're dead. They don't have the living Word. They've taken the living Word and perverted It.

40. I keep telling you, Satan does not have a word. He cannot create, and he doesn't have a language. It was God at Babel who gave them all languages. It's not the devil. Where does language come from? God. What does the devil use? God's language. How? By perversion. Devil right today says, "Millions now living will never die." God's Word says, "Just a minute, eight made the ark." Well, I can take a lot of Scripture and talk about all the souls being

converted. His glory from shining sea, to shining sea. The Lamb covered with all the seed, and blah, blah, blah. And be a hundred percent with the devil. I want you to know the devil quotes the Word of God. He transforms himself as an angel of light. And therefore, it is no great mystery if you got one ounce of brains. There is no mystery that's his messengers transform themselves. Now how do they do it? By the way the devil did it. He uses God's Word. And the incarnation of Satan used God's gifts. Holy Ghost gifts, yeah! "Oh, Bro. Vayle, I don't think I could go for that." There you are, carnal reasoning. We are purer mind than God. "Oh, God, couldn't do that." Ha, wait and find out.

Lot of people think that God's not going to glorify me, ha, ha, ha. I'm one of His seed. Who are they trying to kid? You're judging by the flesh. I'm going by the Word. I'm going by the prophet. "Well, is it on a tape? Did somebody hear him say it?" I raise my hand before Almighty God, the Bible open; I'm telling you the truth. You know what? That's the same as swearing by God and His holy Word? But I can get away with it, because the prophet did. I'm not aggrandizing myself, I believe the prophet. Why do you think I go from Word to Word because of what he said? I can take a Scripture and prove it. This was the Seed she should have borne. She blew it. All right. We read Genesis 3. Okay.

41. Now let's go to Galatians, let me read you something. Galatians, the 3rd chapter, verse 16.

(16) Now to Abraham and his seed were the promises (plural)... (And) He saith not, And to seeds, as of many; but as of one, And to thy seed, which is Christ.

Right? That's the Seed she should have borne because in Him were all the seeds. Now let's go a little further. That's singular. But watch over here in the same chapter, starting at 26.

(26) ...For ye are all the children of God by faith in (Jesus Christ). (Now that tells you he's picking them out in contradistinction from the crowd.)

(27) For as many of you (not all) as have been baptized into Christ have put on Christ. (Now you've lost your identity. See? Every born one of Adam came in the flesh has lost an identity.

(28) (Now) there is neither Jew nor Greek, neither bond nor free, ...neither male nor female: (What's all this talk about females now? Christ didn't marry and have children. He didn't. Yet I can prove to you he's got thousands of them.) for (you) are all one in Christ Jesus.

Notice, not Jesus Christ, now Christ Jesus, there's a reversal. Jesus Christ and Christ Jesus not the same. There's a different meaning there. You're looking now from the top down, or it means a difference there, because you're looking at Messiah, Jehovah that came down.

(29) (For) if (you) be Christ's, then are (you) Abraham's seed, and heirs...

Now you got a plural. You've got a singular and you've got a plural. Now notice the truth here. There could not be the subjecting and the ruling and every single Word of God come to pass outside of this One, so therefore, the Seed is what she should have borne in order to bring forth the seeds.

42. Now let's go back again. In Genesis, the 3rd chapter,

(15) ... (I'll) put enmity between... thy seed and her seed;

They tell me which I have no right to believe but I understand that in the Greek this is a plural. The Hebrew, rather, is in the plural. But the word 'seed', here doesn't need to be translated simply as 'seed' it can be simply translated as 'child'. Now the child is the child of the man by the woman, but it speaks of her having a child. And it says that that child is going to come against your child. And in multiplying, showing the plurality it reveals to you very beautifully, the plurality is there and you will see it in Hebrews the 2nd chapter, where both he that's..., no,

(10) For it became him, for whom are all things, and by whom are all things, in bringing many sons unto glory, to make the captain (the only begotten) of their salvation perfect through sufferings.

(11) For both he that sanctifieth and they who are sanctified are all of one (source, one Father): for which cause he is not ashamed to call them brethren,

(12) Saying, I will declare thy name unto my brethren, in the midst of the church will I sing praise unto thee.

43. Now let's go back to Isaiah, the 53rd chapter, we've done it different times and we're going to see the truth about Isaiah 53. Now here's what it's telling you about this One that is going to bruise the serpent's head. This is the seed of the woman so-called, the child the woman is going to bear. Now remember in the 12th chapter of Revelation, the woman bears a child. Right? You see your pictures. Alpha and Omega.

(1) Who hath believed our report? and to whom is the arm of the LORD revealed?

Now he's just... who is this one? This is Jesus the man, the Son of God, the only begotten One, "In whom I'm pleased to dwell, this is that One" You notice, he didn't say about you and me; I'm pleased to dwell in you. Maybe He just kind of bears that one. No, it's His pleasure, but not this pleasure.

(2) For he shall grow up before him as a tender plant, a root out of a dry ground: he hath no form nor comeliness; we (should) see (in) him, no beauty we should desire him.

- (3) He is despised and rejected of men; a man of sorrows, acquainted with grief: and we hid as it were our faces from him; he was despised, ...esteemed him not.
- (4) Surely he hath borne our griefs, carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted.
- (5) ...wounded for our transgressions, bruised for our iniquities: the chastisement of our peace...upon him; with his stripes we are healed.
- (6) All we like sheep (every sheep went) astray; turned every one to his own way; the LORD hath laid on him the iniquity of us all.
- (7) He was oppressed, he was afflicted, yet he opened not his mouth: he is brought as a lamb to the slaughter, as a sheep before her shearers is dumb, openeth not his mouth. (The Lamb of God to take away the sin of the world. Now listen!)
- (8) He was taken from prison and from judgment: and who shall declare his generation? (Who's going to expose it? Who's going to thoroughly lead it forth? Where is his generation? Where is His children? He doesn't have any.) ...he was cut off out of the land of the living: (He couldn't procreate. He didn't marry. He didn't have children.) for the transgression of my people was he stricken. (Now watch!)
- (9) ...he made his grave with the wicked, with the rich in his death; because he had done no violence, (no) deceit in his mouth.

He never said one word that was off. Like Bro. Branham's writing, there wasn't one bit of deceit in his writing. My sister proved it. She read it. She used to be a very good analyst.

44. Now watch! [Isaiah 53:]

- (10) ...it pleased the LORD to bruise him; he put him to grief:

Remember there was no deceit in his mouth because he was a prophet. He couldn't. A lie would have tongue-tied him, he couldn't have said it. Huh? Right.

- (10) ...it pleased the LORD to bruise him; he hath put him to grief: when thou shalt make his soul an offering for sin, (a sin offering, his soul, it died, cut off from God, went down into hell, then) he shall see...seed, (and thereby,) prolong his days, the pleasure of the LORD shall prosper in his hand.

Now God's immaculate ultimate plan can only come to pass through this and in Him there are all those seed and they're justified by His own soul, like coming upon them, watering it, utterly sanctifying it, giving them a second birth. And this alone will give them the third birth when they come out of the ground, or stand here transformed. See what I'm saying?

- (11) He shall see of the travail of his soul, and be satisfied: by his knowledge shall my righteous servant justify (the) many: (not everybody, 'the many') for he shall bear their iniquities.

'The manys', not the whole world; it's limited atonement. Tell me what you want and I'll show you...it's limited, because only those that walk in the light, that come to the light, receive the atonement of the blood. Why? Because you repent which is 'a change of mind'. Come on. The whole thing is what Bro. Branham said right in here. *"The mind is the womb."*

- (12) Therefore will I divide him a portion with the great, and he shall divide the spoil with the strong; because he hath poured (forth) his soul unto death: was numbered with the transgressors; and (at that time) bare the (sins) of many, and made intercession for the transgressors.

Like he said... They said, "Remember, you're going to come to the king, this is the hour I will remember you, you'll be with Me in paradise." So on and so on. All right.

45. Look also in the 22nd Psalm and I've read this to you different times on different occasions. Ps 22:30.

- (30) A seed shall serve him; (Look at the 29th verse or the 28th.)
- (28) For the kingdom is the LORD'S: and he is the governor among the nations. (He's the head of it.)
- (29) All they that be fat upon (the) earth shall eat and worship: (Fat upon the earth at the end time, Malachi 4. Calves of the stall, fat and sassy, so to speak.) all they that go down to the dust shall bow before him: (come up in the White Throne, second Resurrection) and none can keep alive his own soul. (It tells you right there, if you're seed, you're going to be watered.)
- (30) A seed shall serve him; (It tells you right there. Now here's the difference.) it shall be accounted to the Lord for a generation.

He was cut off; He couldn't see His generation. The word 'generate'...what does the word 'degenerate'? From the word 'Genesis' start something, get a moving. How does He do it? By being the firstfruit. And the seed is counted for Him as His children. "My sheep hear My voice, all that the Father will give me will come to Me."

- (31) They shall come, and shall declare his righteousness unto a people that shall be born, ...

Oh, Lord, yes, born in the flesh, and born completely wrong. Born again to get something commensurate. Born out of the dust to come back again. Born, born, born, born, born. What does the word 'born' mean? Issue forth, issue forth, issue forth, issue forth. How can you issue forth unless there's something to issue forth from? I don't know where people are coming from; they don't understand the Word of God. That's their business entirely, not mine.

46. Now in the word Greek ‘seed’ means ‘an offspring’. Just means an offspring. Now, what does it say over here in the Book of Acts? I don’t know if I can find it or not, I’m not too good at remembering everything. But, oh come, I flipped past it. All right. [Bro. Vayle flips a lot of pages and hums to himself.] I can’t even see what... I usually can find, where it is in my Bible, like Bro. Branham said, he keeps a Schofield Bible, because he didn’t have any trouble finding what he wanted to know. Okay, here’s what it says. It’s the 17th chapter, not the 19th. And Paul is speaking before the altar of the Unknown God. And he said,

- (24) God that made the world and all things therein, seeing he is the Lord of heaven and earth, dwelleth not in temples made with hands;
- (25) Neither... worshipped with men’s hands, as though he needed anything, seeing he giveth all (things) life, and breath, and all things;
- (26) And hath made of one blood all nations of men for to dwell on the earth, and determined (to be) appointed, (before) the bounds of their habitation; (and then he says, “As your own offspring said...” verse 28.)
- (28) ...For we are also his offspring.

The offspring, see? So there you are in the Greek, it’s offspring. We are that seed. Now, in other words, we are the children of God in contradistinction to the others, and you can see in here where everything shows you positively what Bro. Branham said, *“This One here, Christ, is the only One that can do it, so therefore, He should have been the One that came.”* Now going to reasoning and not believing the Word of God, He could not be produced. Then if He could not be produced back there, then we’re looking at the type, now what is set up in the beginning cannot change. How can the church produce Him now and bring Him here on earth? Eve played the harlot. The church has to have spiritual intercourse, the same as she should have had intercourse with her husband, not somebody else.

47. So now, who in the world is the church that has God as her husband? The Catholic church says, “I’m no widow. I’ve got God as my husband. And I’m sitting as a queen.” Liars, liars, liars. She’s nothing but a whore and her daughters are a bunch of harlots. Can’t bring It forth, can’t bring It forth, the church cannot do it. Neither can the church in this hour. Can’t do it. No way can the church do it. It’s going to take God Himself to do something. What’s He going to do? Kill the whole bunch and start over? Well, he never killed Eve and started over. Matthew 12 tells you. “The bruised reed he won’t break, the smoking flax he won’t quench, until He hurls forth judgment to the Gentiles because in His Name they trust.”

So He’s going to take what? That’s, “There remaineth the seed; seven thousand haven’t bowed the knee.” And that’s how He’s going to come back because there’s going to be a resurrection and the Bride on earth is going to be changed, because she returns to that Word and doesn’t disbelieve one single Word, and the womb of her mind is completely shut up so she can’t commit spiritual adultery, and that One must come back. We meet Him in the air, and we bring Him back with us. And break all the nations, rule with a rod of iron, completely subdue and take

dominion, then there's a replenishing of the earth the way God wants it. All right. You see all these things? Okay.

What time we got left? Who knows? About an hour and a half? Well, that's nice. Why should I bother? Let me just call it a day. Come back next Saturday. If you don't want to miss it, if you want to miss it; goes out on tape anyway. I'm not just being mean, I'm just being truthful. I thank God my ministry's the way it is. Nobody here wants to hear which I know you do; although many times not much effort is made. It's all right though, I don't make much effort myself; I'm lazy. I admit it. But you'd be surprised, I heard of a guy last week who listened, one tape six times in a row. That guy's going to know more than I know. [Congregation laughs.] Let's rise. [Bro. Vayle chuckles.] Let's rise. That is true. I often forget many things I say, even though I write them down, I know they're right, because I know they come into the Word of God and you can't...stop that.

Heavenly Father, we thank You for Your mercy and love to us, Your goodness, where You bring us together, we look at this Word and realize how true it was that the prophet didn't make a mistake. Going right back to the very beginning, taking it through the Word and bringing it right to this hour, typing, shadows. And he said, *"I'm not a theologian, but I'm a typeologist."* O God, we know that to the theologians, they're not even second or third rate when it comes to a typeologist; it's a prophet. For we thank You for this, heavenly Father, and praise Your Name, and pray Lord, that the Life of the Spirit of this Word will now be loosed within us, O God, bringing forth a womb mind that is shut up to every word, but the Word of God. And at the same time is full of the gestating Word of God, increasing and growing more and more into that stature as Bro. Branham said we would have according to 1 Peter. Lord, we believe that today, and we thank You for it. You've already worked a work in us, in our souls, in our minds, and in our spirits, O God, and soon in sum will be their bodies when the dead come out of the earth as it were, and the people in this church, and we trust everyone, not one will miss it, will see Bro. Branham and these dear saints of God. That sweep will go over them, walking now into that third and final re-birth as we see it, the body completely changed. Not entering the womb of a woman, no, but coming from the womb of the mind. Coming into full fruition, that's what we desire, Lord.

We pray You'll heal the sick amongst us Lord, there might not be one sick, there might not be one that needs help beyond the fact of the prayers uttered today Lord, for the sick ones, O God. Claiming our healing every day and thanking You for it. Blessing everyone Lord, where there's a lack of work, or there's too much work, whatever it is Lord, we pray, oh God, that you with Your love and Your mediating influence, You, Yourself, who said, "Be temperate in all things, gentle." We believe Lord, You are tempering us and gentling us, by Your own temperament, Your own gentleness Lord, bringing us into that fullness of the flesh, Lord, based upon the image. Your own Lord, Your own intrinsicity, Your own life, that You shared with us. It's marvelous to know how You've done this Lord, we realize Lord, that it's a pity but we're all like Eve, too. It's like the old saying of the Amish people Lord, "That too soon we're old and too late we're smart." But Lord, we know that at the end time it isn't too late. For You Yourself come down to do what none could do but You Yourself bringing It to perfection. We thank You for it Lord, and praise You for all Your goodness and mercy upon each one here today. Now unto the King eternal, immortal, invisible, the only wise God be all power, honor and glory, through Jesus Christ our Lord. Amen. 'Take the Name of Jesus with you.'
