

Drug Screening Centers in Huntsville, AL

For Huntsville (NHA) candidates only—to complete the screening process we need the following:

- Name, Phone Number, Date of Birth, SSN (I can get these from the BG check form)
- **Zip code of location they want to go to for the screening**

Once we have set up the screening you will be given a Donor Pass; provide this to the collection center so you won't be charged for the screening.

- Give the collection center the email address jnicklaus@chayceusa.com

You will also need to have a picture ID on you when you go in to the collection center for the test.
