

NEWS LETTER FROM THE
EXECUTIVE DIRECTOR
OF
INTERIOR CHURCH PLANTING MINISTRY
OF LIBERIA (ICPM) INC.

PASTOR CYRUS DORLESEH NUMBEH

Hebrews 4:16

**Let us therefore come boldly unto the throne of
grace, that we may obtain mercy, and find grace
to help in time of need.**

FAMILY

We are very much grateful for the Lord's faithfulness toward us as a family over the years. In the midst of financial constrain, God has enabled our children to be in school. He has kept us alive in the midst of Ebola and Covid 19 that took away many lives. I appreciate Benetta, my wife, who has supported my callings and stand with me in my endeavors. We were dating when we planted Union Baptist Church in 2006 in Banjor. With her supports after marriage in 2008, we planted second central Baptist in 2013 now, we are planting Bible-Based Baptist church in Johnsonville. she would love to help me more in ministry in the area of health care delivery if she is opportune to said education.

We embarked on a four bed-room house few years ago. Due to the Bad economic situation in our country, we yet to complete the house. As it is right now, we need celling, electricity, floor tile, doors, window glasses Etc. Though not livable, we are managing life there because we don't have money for ranting. However, when completed, it will provide my family and I a comfortable home that will bring glory to God our heavenly through Jesus Christ our Lord.

A. **FAMILY**

- We need your prayer for God's wisdom and guidance upon our life as we lead. We also need your prayer for good health for our family.
- We need your prayers for financial provision for the completion of our house project.
- We need your prayer for financial provision for our kid's school fees.
- We need your prayer for financial provision for Benetta, my wife, to enter medical school to be more of help to me in the ministry.

BACKGROUND HISTORY

To every vision, there should be a visionary. So, as a visionary of this ministry, and a believer in Christ Jesus, a convert from the Muslim faith, with burning passion of the Lord's calling, I grew up in the interior of Liberia and keenly observed with dismay the reluctance of many churches to effectively implement the Great Commission. Instead of Salvation by Grace in Christ alone and justification by faith in Christ alone, they teach that justification is human efforts plus Christ's effort thereby misleading sinners and confusing them as well as leading them to hell fire.

Sharing the vision with like-minded brethren the need to have a ministry, the Lord had laid on my heart to have a ministry that will properly present and explain the gospel message of Jesus Christ to the unsaved souls through evangelism, disciple making and church planting.

Against this backdrop, we Pastor Cyrus Dorleseh Numbah, Pastor Moses Gonlewon, Moses Dianue who had gone to be with the Lord, Pastor John K. Kollie, organized ourselves into a Nonprofit Christian organization called "Interior Church Planting Ministries of Liberia INC. (ICPM).

As a Ministry, we exist to glorify God by reaching the unreached with the gospel of grace through Christ in order to plant disciple-making churches and transform communities in the rural areas of Liberia.

We envision every person in the rural parts of Liberia and its environs, come to know, love and serve Jesus Christ as their Lord and Personal savior through discipleship and God-led holistic transformation by empowered church planters and individuals through God's supreme guidance and blessings.

Our purpose is to glorify God by planting disciple-making churches of the same faith, promote the worship of God, edify believers, teach the whole counsel of God, reach the unsaved with the gospel of Christ through personal evangelism and preaching the gospel of grace, carry on holistic programs in and around Liberia, defend the faith and

maintain good testimony for Christ in our community in Godliness and good works.

We are grateful to God Almighty for his endless grace upon us since our coming into being in 2004 and recognized by the Government of Liberia in 2015 as a registered non-profit Christian organization.

Through His grace, we have planted seventeen churches in three of our fifteen counties, trusting the Lord to reach the rest of the counties. We have succeeded in training thirty-five evangelists and church planters through discipleship class. We are grateful for their commitment to the call of God upon their lives. In obedience to the word of God, we have had many baptisms of people who had put their faith in Jesus Christ for Salvation on the basis of Jesus Christ's redemptive work on the cross of Calvary.

THE CHALLENGES

1. Many of our churches had not have their own property for the construction of church building as a place of worship and other developments. They are still in misshaped and porches.
2. Lack of transportation to constantly visit some of our church plant and keep them active and update.
3. Lack of financial supports for our pastors, church planters and evangelists in the field.
4. Lack of Bibles and the Jesus firm Kit for evangelism and church planting,

However, despite of these many and more challenges, we have decided to organized a one-week training for pastors, church planters and other church leaders by the end of every six weeks to have them trained and equip for ministry.

We also have decided to embark on Christian School projects in all the communities we have church plant, to enable our church member's children be trained with sound doctrines and as a means to reach out the community kids with the gospel of Jesus Christ.

PRAYER NEED
