

# Seminole PAC Endorsed Candidates 2022

Seminole Public Education PAC is made up of members from all four Associations that represent the employees of Seminole County Public Schools. During election years, the Seminole PAC meets and interviews local candidates to determine whether they are Pro-Public Education and to assess the candidate's viability.

The candidates are given a questionnaire to complete and submit to the Seminole PAC chairperson. Once the candidates return the questionnaires, the Seminole PAC Members discuss and assess the answers. The next step is for the Seminole PAC to interview each candidate who returned their questionnaire.

Below are the local endorsed candidates
