

# World Thinking Day 2018

**February 23<sup>rd</sup> 7:00-8:30pm**

**Westview Elementary**

Troop 57587 invites you to celebrate World Thinking Day!

Girl Scouts & Girl Guides across the world celebrate World Thinking Day by reflecting on how we're connected and how we celebrate who we are!

To help us celebrate, some troops choose to research and teach others about different countries. We welcome troops who want to research and present about different countries as well as troops who want to attend to learn about different countries. All girls (presenting and attending) visit each country, get a stamp in their passport, and earn a patch.

**There is no cost for this event – thank you to our Service Unit for sponsoring it!**

## **Want to host a country?**

- Every troop hosting a country does a brief presentation for everyone attending at the beginning. It can be a song, dance, game, food demonstration or speech. After all the presentations are finished, everyone will be able to visit your country (booth.)
- Ideas for a booth:
  - Create a poster board with fun facts, simple words from the countries language or pictures.
  - Hand out S.W.A.P.S. and/or a sample food from your country.
  - These are just some ideas to get started. Feel free to get creative and have fun!
- Stamp the passport for each girl after they visit your country.
- Submit the registration form for your troop with your top three choices by January 4<sup>th</sup>.
- Troops will be notified of their assigned country by January 11<sup>th</sup>.
- Set up begins at 6:30 PM on February 23<sup>rd</sup>.

## **Want to attend only with your troop?**

- Come watch a presentation from each country before you tour the world with your troop to learn about different countries. Doors open at 7:00 pm.
- Passports will be provided for each girl. As they tour the world, they will receive a stamp in their passport from each country they visit. Once they fill their passport, they will receive a patch.
- RSVP by January 26<sup>th</sup> to guarantee patches at the event.

**We look forward to seeing you at World Thinking Day!**
