

## 5<sup>TH</sup> GRADERS COMPETE IN THE AMAZING SHAKE!

You may have heard about **"The Amazing Shake - Professionalism with a Personal Touch."** This was our first time planning such an event at Sara Collins, & we were excited to have this opportunity for our 5th graders to meet and interact with professionals from our community.

**The Amazing Shake** is a competition that gives our 5th grade students the opportunity to demonstrate **manners, self-discipline, respect, & professional conduct.** The event is modeled after one held annually at The Ron Clark Academy in Atlanta. We were so impressed with the Ron Clark Academy's students' professional and conversational skills, we chose to give our students a similar opportunity.

Throughout the year, all students were instructed on and practiced a **proper handshake, table manners, conversational and interview skills, & how to remain composed under pressure.** All 5th graders participated in Round 1. Rounds 2, 3, and 4 of the competition

became more selective and more challenging. At each round of the competition, the students were fabulous and the scores were VERY close!

The competition included:

### ROUND 1: "MEET & GREET"

All 5th graders met and greeted professionals from our community. Students spent about one minute with each person. The professionals scored each student on his/her handshake and interaction. The entire 5th grade did superbly in Round 1. Almost every single student scored in the top half of the rubric scale.

### ROUND 2: "THINK ON YOUR FEET"

The Top 20 completed eight surprise scenarios, each about three minutes long. Students were scored on their interaction and how well they responded to the scenario.

### ROUND 3: "HIT THE STREET & EAT"

The Top 10 students went on an

all-day field trip to downtown Greenville. We stopped at Oobe, The Peace Center, City Hall, Nose Dive, and Cascades Verdae. They met business and governmental leaders, ate at a restaurant, and interviewed senior citizens.

### ROUND 4: "THE FINAL FEAT"

Two Finalists, with help from the other eight members of the Top 10, completed a leadership challenge here at school. They prepared and led a 30-minute physical activity for a second grade class.

**CONGRATULATIONS** to **WELLS SHELLEY & SYDNEY DEAN** for being the two finalists!

All 4th and 5th graders met in the gym for the announcement of the **first-ever winner of The Amazing Shake** at Sara Collins Elementary. **CONGRATULATIONS TO SYDNEY DEAN, WINNER OF SARA COLLINS' AMAZING SHAKE 2018!**

\*The "top 20" was really 22 and the "top 10" was 11 because one of the students who made it planned to be out of town for the next round. A three-minute video of all rounds may be found on the Sara Collins Elementary website at [www.greenville.k12.sc.us/scollins](http://www.greenville.k12.sc.us/scollins)
