

Dove Day School First Day of School Checklist

➤ **EMERGENCY KIT**

A gallon zip lock bag with **TREATS!** Some of our children have named them earthquake treats. While we can shelter our students for the recommended 72 hours the concern would be if your child was too traumatized to eat. Pack 6 small snacks that are too good to pass up and we can get an appetite back online. We have the food you bring the treats!

➤ **Family Collage**

On your child's first day, your child's teacher will send a card stock sheet that you and your child can decorate with photos that include all the family that your child is likely to talk about or miss during a school day. Or send them to school and the teacher will assist your child in making a laminated family collage that will be displayed in their classroom.

➤ **Cozy Crib Sized Blanket**

A napping cot can be bliss with the right bedding. You may also send a special squishy pal for a naptime companion. Please label everything with your child's name. If your child has a security item that is a blanket; bring a blanket that will live on the cot and the "blankie" will be stored in their cubby or backpack to take home each day.

➤ **CHANGE OF CLOTHES**

There are many opportunities during the day to mess up one's clothing so we like to have a least one full set of fresh clothes on hand.

Busy Bee or Garden Room

6:00 School Opens, B-fast
and inside choices
7:30 Story **
7:45 Snack, outside choices
8:30 Gather for theme **
