## Where Are You Going?

A quaint inscription was found on a gravestone in an old British cemetery not far from Windsor Castle. It read:

Pause, my friend, as you walk by;  
As you are now, so once was I.  
As I am now, so you will be.  
Prepare, my friend, to follow me!

A visitor read that epitaph and added these lines:

*To follow you is not my intent,  
Until I know which way you went!*

That is a good thought, isn't it?

Where are you going when life ends?

## Passed Note

A nearsighted minister glanced at the note that Mrs. Jones had sent to him by an usher. The note read:

"Bill Jones having gone to sea, his wife desires the prayers of the congregation for his safety."

Failing to observe the punctuation, he startled his audience by announcing:

"Bill Jones, having gone to see his wife, desires the prayers of the congregation for his safety."
