

Sick Leave Bank

The Northwest Wyoming Board of Cooperative Educational Services has implemented a Sick Leave Bank for employees whose job description identifies sick leave as a fringe benefit of employment. The purpose of the sick leave bank is to provide extended support to qualified employees for catastrophic illness or injury that meets the sick leave requirements as set forth in NWBOCES sick leave policy #6008. The Sick Leave Bank is available to full-time and permanent part-time employees of NWBOCES who have volunteered to participate.

Days donated/contributed to the sick leave bank shall become property of the sick leave bank and are no longer part of a member's current or accumulated sick leave.
