Dear Malika Rawal:

Because of your loyal support, the lives of many youth in our community have improved and their safety has been ensured. We greatly appreciate your in-kind donation of 1200 hygiene products.

It is the commitment of donors like you that enables us to assist almost 6000 youth and families each year through our programs and services. Your support allows us to share the sense of family and community with youth who depend on us for safety, stability, and an open door to successful futures.

Thanks for your passion and commitment to *Keeping Kids Safe and Families Together*.

Kind regards,

*Spencer Guthery*
