

ETATRON

AMERICA

Livestock Medication

The Etatron **eOne MF** is the perfect pump for **both** your medicating *and* water treatment needs and . . .

Etatron's operation is NOT affected by water quality!

The eOne MF accurately injects:

- Antibiotics and vitamins
- Electrolytes
- Chlorine
- Hydrogen peroxide
- Vinegar and iodine
- Line cleaners
- Nutritional supplements
- Stabilized Chlorine Dioxide

eOne MF - Model: 3005

Programmable to dispense at 1:128 and by PPM

Pump capacity is equivalent to a 16 GPM water-powered medicator

Accurately dispenses up to 72 PSI

Pump automatically compensates injection for variations in flow

Self priming, pump head equipped with manual air bleed for fast priming

Alarm to detect suction or discharge interruption

PVDF solenoid head for enhanced chemical resistance

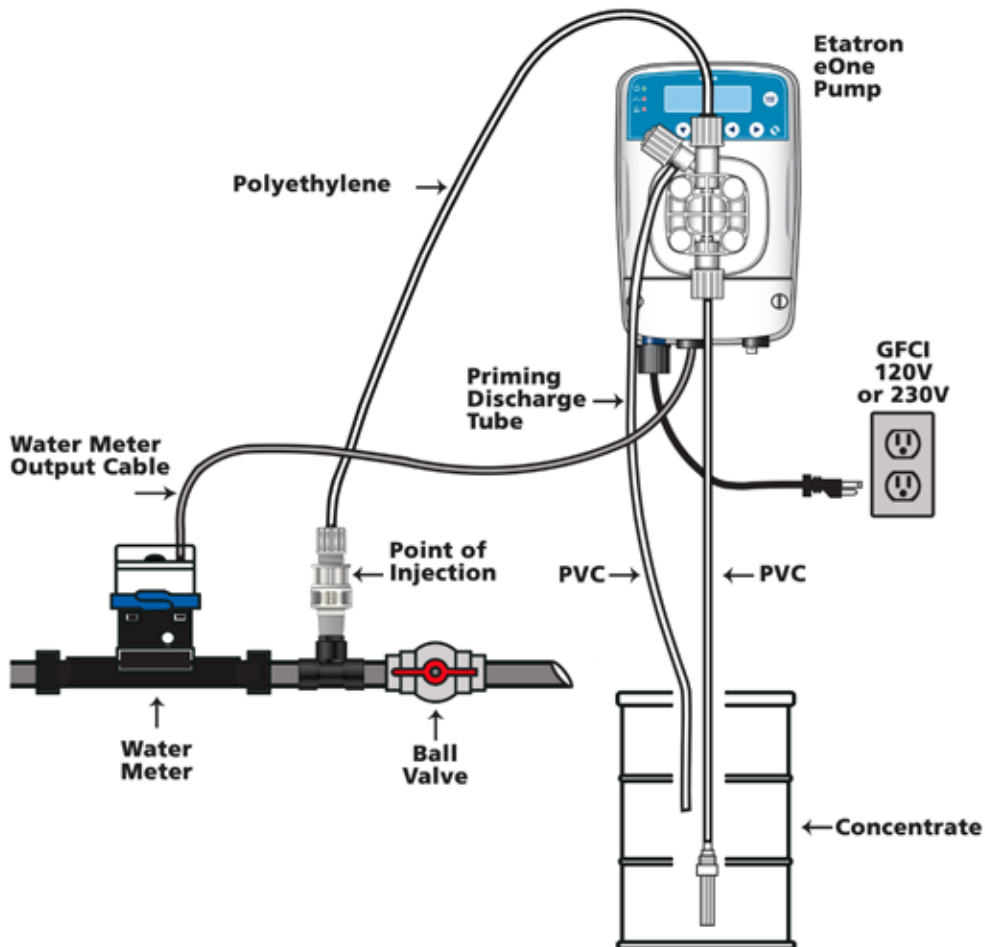

IP65 acid resistance housing

Long lasting unique one-piece PTFE diaphragm design

120 volt
