# L I V E ?

Question asked = Question answered by Law-Giver Manifest

All Solutions are to be Non profit and Non violent !

**1 GOD** created 2 universe: Physical Universe and Spiritual Universe! Everything in the Physical Universe has a beginning and end! **1 GOD** wanted to stay in touch with everything living. Everything living was given a piece of the spiritual, 'Eternal Soul'.

## Why do I exist ?

A Soul (Yours) from the Spiritual-Universe gets its instruction (from **1GOD**) on what Life experiences (emotional, physical) it is to have in the Physical Universe. Instructions are vague as is to be expected from an imperfect Universe. Giving the Soul flexibility to complete its mission. To complete its mission a Soul needs a physical appearance (Your body). The reason for your existence is to help your Soul gain the 'Life experiences' it needs to complete its mission.

## Purpose of living ?

Your body has to exist by the, 'Rules of the Physical Universe' (RPU). After conception your body has to Survive (Rule 1 RPU).

You are to Seek, Gain, Apply and pass on Knowledge (Rule 2 RPU). As long as you live.

You need to Keep Your Body Healthy (Rule 3 RPU). To stay healthy: cleanliness, balanced diet and Daily fitness are needed. Your Soul needs nourishing, Daily Prayer keeps it in contact with **1GOD**.

So a Soul can have a body, adult bodies need to Mate and Multiply (Rule 4 RPU). You need to start a family, enter a 'Holy Matrimony' contract.

Socializing families become a group.  
A growing group becomes a community (Shire).  
Communities form a Hive (Province) (Rule 5 RPU).  
Which has a better chance of survival.

A growing Hive (Province) expands by Swarming (Rule 6 RPU). Province explores, colonizes new areas (Planets, Solar Systems,...). This is a survival must!

Everything in the Physical Universe has a Beginning and End (Rule 7 RPU), as does your body. Your Soul completes its Life experiences mission. The amount of Life experiences a Soul is to gain decides how long a person lives. Whenever all Life experiences are completed the body is supposed to die. That is why people die at different ages.

Your body dies it is **cremated** to cleanse and to release the Soul. That returns to the Spiritual Universe, to report.

### Life experiences ?

Life experiences are events you remember until your dying day or memory loss. These events are dramatic happy (dream come true,..) or unhappy (serious accident,..), character building. Custodian Guardian record their Life experiences and pass them on : Knowledge Continuity

Why do some people die young ? The Life experiences mission of Your Soul may have been completed in an early stage (e.g. infancy) of existence. Whenever a Life experiences mission is completed the body is supposed to die. That is why people die at different ages.

### Note!

Don't have insurance, live support, forgiveness,.. Insurance stops a person from experiencing the full impact of misfortune. Live support extends survival beyond planned end. Forgiveness cancels accountability. Insurance, Live support & forgiveness result in failed life-experiences. Making the Soul's mission a failure. **1GOD** is upset!

**Life is sacred! Only 1GOD has a right to end it!**  
**NO individual, cult, religion, organization or Government!**  
**Have the right to end humanlife!**
