

# Business Lending *solutions*

Helping you...  
*grow*

Like many growing businesses you probably recognize a need to have access to a trusted lender so that when the opportunity to expand, purchase new equipment, relocate, or hire additional help presents itself, you can act quickly. With SRFCU on your side, we will work hard to guide you through the business lending process and provide you with a variety of low cost business lending solutions designed to help you succeed.

Our business lenders will be happy to discuss a loan specifically for a purpose you have in mind. Just call us at (937) 223-3333 or (800) 543-2283.
