Community Based Supports

7TH & Madison Learning Center

Services in Somerset County!

Program Overview

7TH & Madison Learning Center is an accredited Community-Based Supports program serving Somerset County, for adults with intellectual and developmental disabilities. Community- Based Supports Specialist provide services that provide direct support, encouragement, and assistance for members, with or without the caregiver present, in or out of the member's residence, to achieve and/or maintain the outcomes of increased independence, productivity, enhanced family functioning, and inclusion in the community, as outlined by his/her Service Plan.

Community-Based Supports are delivered one-on-one with a member and may include but are not limited to: assistance with community-based activities and assistance to, as well as training and supervision of, individuals as they learn and perform the various tasks that are included in basic self-care, social skills, money management, computer lab access, transportation training/awareness, ordering from a menu, going out to restaurants, increasing social skills, and activities of daily living.

7TH & Madison Learning Center offers a unique approach, we develop custom programs specific to the areas our member's and their families wish to increase independence.
