

Meet Louie:

Louie is a 6 year old black and tan longhair dapple.

He gets along well with other dogs of all sizes and has been around cats.

He loves everybody, men, women and children, alike.

Louie loves receiving attention and hanging out with his people.

He also loves toys and never met a toy he couldn't desqueak and destuff.

Louie is a total lovebug and will happily lay near you, next to you, or on top of you. He's very easygoing.

Louie loves to eat and will need someone to continue to help him lose a couple of pounds to bring him back to his ideal weight.

Louie is house trained but needs to be kept on a schedule or he can be a little lax with his house skills.

He is doggie door and kennel trained.
