

A.B. Graham planted pine trees around the A.B. Graham Center in the 1930's. A storm took down one of those Pines in 2019. The A.B. Graham Center Board allowed Mr. Graham's Museum 4-H Club to harvest the tree. Each club family came out and helped cut the tree to lengths for sawing. No member had ever done a woodworking project from tree to finished product. With the guidance of parents and advisors the club truly took to heart the 4-H slogan "Learning by Doing".
