## What you should know:

Bringing a blanket, towel, or pet bed that smell like home will help your dog feel more comfortable. We prefer you bring your own food, switching foods can cause your fur baby to get an upset stomach; however, we do have house food we can feed your dog for \$5 per day. Boarding includes a day of doggie daycare, which includes playtime with socialization unless other wise specified. We require Rabies, Bordetella, and DHLLP to be up to date on all boarding dogs. We also have a registration form that needs to be filled out, so please allot time for that on the first time your dog is boarding with us.

Your dog will never be left alone, there will always be experienced staff on site 24/7.

We will accommodate multi-dog families.
