

THE SOCIETY FOR THE STUDY OF ANCIENT EGYPT S.S.A.E

Are proud to present an illustrated Lecture on
“The Egyptian Mummy.”

- Date:** Saturday, June 3rd at 1.30 pm
The lecture lasts approximately 2 hours including a break.
- Speaker:** Dr. Bob Loynes (retired Orthopaedic Surgeon and Egyptologist)
- Location:** Lecture Theatre, Chesterfield Central Library New Beetwell, Street, Chesterfield, Derbyshire, S40 1QN
- Admission:** Free to Members, Day-Visitor £4 on the door.
- Requirements:** No previous knowledge required, our group is aimed at everyone with a love of ancient Egypt.
- Topic:** “The Egyptian Mummy.”

The talk will cover the “Why” and, to an extent, the “How” of mummification. What did the ancient Egyptians believe? What do we know from them?

The use of medical imaging techniques in Egyptology is not new but it has progressed massively over a century. The progress of this development and its current advantages and pitfalls will be described.

Examples of this branch of Biomedical Egyptology will be shown including some from the Manchester Museum and others from museums around Europe and America

The SSAE was formed in 1992 and is aimed at people in the Derbyshire, Nottinghamshire and south Yorkshire areas with an interest in Ancient Egyptian history and art.

The **SSAE Main Society** has 6 lectures a year (3 in Nottingham, 3 in Chesterfield), social events and trips in the UK and abroad and produces a Membership magazine (the Scribe) 4 times a year.

The **SSAE local group** is self-funded and depends on Day-Visitor sales. The group is based in Chesterfield and organise a programme of 6 lectures a year and social/ fundraising events.

Please see our website www.egyptology-ssae.org for further details.
