"28. The parish is not an outdated institution; precisely because it possesses great flexibility, it can assume quite different contours depending on the openness and missionary creativity of the pastor and the community. While certainly not the only institution which evangelizes, if the parish proves capable of self-renewal and constant adaptivity, it continues to be "the Church living in the midst of the homes of her sons and daughters". This presumes that it really is in contact with the homes and the lives of its people, and does not become a useless structure out of touch with people or a self-absorbed group made up of a chosen few. The parish is the presence of the Church in a given territory, an environment for hearing God's word, for growth in the Christian life, for dialogue, proclamation, charitable outreach, worship and celebration. In all its activities the parish encourages and trains its members to be evangelizers. It is a community of communities, a sanctuary where the thirsty come to drink in the midst of their journey, and a center of constant missionary outreach."

Pope Francis, *Apostolic Exhortation on the Proclamation of the Gospel in Today's World*

The news media have made all of us aware of the valiant struggles that the Ukrainian people are engaged in these days. In solidarity with them, we follow Patriarch Sviatoslav's initiative to pray for Ukrainian's God-given rights to freedom of speech, choice and religion; therefore, Fr. Sal has added these liturgical Petitions to the Divine Liturgy at Holy Ghost Parish.

Liturgical Petitions:

O good and loving Master, look down with compassion, heal, comfort and protect Your servants in Ukraine as they seek to foster unity and end division, and enjoy human rights, liberty, and self-determination in their nation, let us pray to the Lord.

We also pray that the Holy Spirit may open the hearts and minds of all to wisdom and grace so that those in Ukraine and throughout the world will cease the acts of aggression and respect the territorial sovereignty of Ukraine, let us pray to the Lord.

#### **ARE YOU READY?:**

Many people think because they attend a particular parish, they automatically belong. But membership requires signing up---formally enrolling yourself in parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial

activities of your parish. Registering in your parish is a statement of faith and confidence in the life and work of your parish. Please make an effort to register in our parish.

#### **FORGIVENESS:**

Forgiveness does not mean acceptance of a lie. When we forgive, we don't put up with evil, but on the contrary, we name it and call a wrongdoer as such. But when we forgive, this means that first of all we throw evil out of our own heart. Only that person who is spiritually higher and stronger, can forgive. To forgive means to overcome evil. Forgiveness does not mean release from responsibility for wrongdoings. Fair punishment is necessary for reconciliation. Otherwise how can we speak about the due respect for the victims of crimes, due satisfaction for their offences if, according to the principles of justice, the person who offended them will not suffer deserved punishment?

**MARRIAGE** The Holy Mystery of Marriage (from the catechism of the Ukrainian Catholic Church) Marriage Is a Mystery of Love between a Man and a Woman # 472

Marriage is based on the fact that the married couple mutually complements one another. The Church gives witness to this in a prayer of the Rite of Crowning: “Holy God, you created man from the dust and from his side fashioned a woman as a suitable helpmate for him, for such was the good pleasure of your majesty that man should not be alone on earth.” In their gender differentiation, a man and a woman complete one another, creating an indissoluble union of one body

**"The merciful Lord hurries to help others using our feet, supports the sick and frail with our hands, listens to those who have been wronged with our ears, consoles those who are sad with our mouths, carries the weak with our shoulders, brings others close to Himself with our hearts. In other words, the vocation of every Christian is to be an icon of God's goodness and love in the world."**

On behalf of the Synod of Bishops  
of the Ukrainian Greek-Catholic Church
