REGULATING
SECONDHAND SMOKE
Ordinance 978

What you
need to know!

TIPS TO AIDE COMPLIANCE in: *Non-smoking Buffer Zones*

- Post “No Smoking” signs at building entrances to inform visitors that smoking is not allowed within 20 feet of doors, windows or vents or where food or drinks are served. Signage is **required by law**.
- Inform your employees, customers, clients and/or office building tenants of the updated smoke-free ordinance and that you could be fined for their violation.
- Do not allow smoking at anytime inside your workplace or in outdoor restricted areas (includes cigarettes, pipes, cigars, marijuana, weed, hookah pipe, etc).
- Any smoking on sidewalks can only occur while actively passing on the way to another destination- smoke cannot drift into open windows, doors, outdoor cafes, bars, bus shelters or lines.
- Research shows that 80% of all smokers would like to quit. Smoke-free public places create a safe environment for people in the quitting process.
