

# EMPLOYEE OF THE MONTH

## Thomas Rogers

### July 2014

#### AMP 002 – Family Sites

In the absence of a Property Manager, Thomas has stepped in and kept the AMP running successfully. In addition to his own duties, Thomas has assisted the central office in policy and form development, resolved tenant issues, and worked with other properties for the betterment of the public housing program as a whole. This was all accomplished in the shadow of a pretty important birthday – his own! Great work, Thomas!
