

Hi there! We are the

MULLIKEN LIBRARY FRIENDS

Mulliken Library Friends is a group of diverse individuals dedicated to supporting the Mulliken District Library and bringing together the Mulliken Community in a positive and inclusive atmosphere.

We formed as a group around October of 2020. In our first few months, we created a Christmas Toy Drive for local families in need and two community events: a Christmas Tree Lighting and a Light Fight. These events brought local media to Mulliken to feature positive events occurring in our village. Additionally, we were featured in several public print and online sources, like Lansing Family Fun.

We hope to continue to bring more positive events and community outreach for years to come. If you are interested in joining the group and making a positive difference in the Mulliken Area, please email us at mullikenlibraryfriends@gmail.com.

Holidays are coming soon...
ARE YOU READY?

**Trunk-or-Treat
October 28th**

The Ice Cream Shack is OPEN for Mulliken District Library's annual Trunk-or-Treat on October 28th from 6pm - 7:30pm. Instead of Ice Cream, we will be offering popcorn and other various treats.

Thanksgiving 2021

We are partnering with the Mulliken Food Pantry to provide a full Thanksgiving meal for families in need. All donations are to be dropped off at the Mulliken Food Pantry, and families can sign-up to receive meals at the pantry by contacting them on Facebook @mullikenareafoodpantry.

**Christmas in Mulliken
December 2021**

We look forward to having many fun events this holiday season. One event we are particularly excited about is our "Adopt a Child" program. You can visit the library and support a child in need. Each child will be anonymous (aside from gender and age) and will prepare a small wish list to help with gift ideas. All "Adopt a Children" will be from the Mulliken area to support our local families in need.

More details to come as the holiday season draws closer.
