WELCOME!!

We welcome you to Saint Paul Catholic Center! Our humble parish wishes those who visit here to be blessed with joy, peace and love. If you would like to register as a member of our local Catholic community, please complete and submit a registration form available from our administrator, Rae Crozier.

Thank You from The Seminarian!

During this summer I was assigned to St. George Parish and its missions. A little bit about me is that I grew up in Sandy, UT, my home parish is St. Therese's in Midvale, I graduated from Jordan High School in 2015, and graduated from Mt. Angel College Seminary (Oregon) in 2019. I wanted to thank you all for your warm welcome and kind words the times I attended mass and prayed the rosary with you all at St. Paul's! While I was not able to be as present as I had hoped, I was deeply touched by your community's commitment to our faith that I witnessed through your prayer and welcome. I will keep you all in prayer as I return to my seminary, Theological College at The Catholic University of America in Washington, D.C. Please also pray for me also as I start my third year of theology studies and one day God-willing be ordained a priest for our Diocese!

Thank you, *André Sicard, Seminarian*

Why Is Ordinary Time Called Ordinary?

Ordinary Time is called "ordinary" not because it is common but simply because the weeks of Ordinary Time are numbered. The Latin word *ordinalis*, which refers to numbers in a series, stems from the Latin word *ordo*, from which we get the English word *order*. Thus, the numbered weeks of Ordinary Time, in fact, represent the ordered life of the Church—the period in which we live our lives neither in feasting (as in the Christmas and Easter seasons) or in more severe penance (as in Advent and Lent), but in watchfulness and expectation of the Second Coming of Christ.
