Coronavirus/ COVID-19: Kadee's Korner Wellness Plan

To Whom It May Concern,

First and foremost, Kadee's Korner would like to remind everyone to keep safe and healthy by taking the following steps:

- ❖ Wash hands often with soap and water for at least 20 seconds.
- ❖ Cough or sneeze into a tissue if you have one and throw it away. If you don't have a tissue, cough or sneeze into your elbow, not your hands.
- ❖ Avoid touching your eyes, nose, and mouth.
- ❖ Avoid close contact with people who are sick.
- ❖ Stay home when sick.

If the COVID-19 virus is introduced locally into the county we will be closing our business to customers until the virus is under control.

Until such time Kadee's Korner will be taking the following precautions:

- ❖ Installing hand sanitizers at our entrances.
- ❖ Frequently touched objects and surfaces are being cleaned and disinfected throughout the workday.
- ❖ Staff displaying symptoms of respiratory illness are being asked to stay home.
- ❖ Staff is urged to wash hands often and after every customer has left.
- ❖ Staff is urged to limit close contact with customers.

The well being of our customers and staff is our greatest concern.

Well Regards,

Karin (Kadee) Dasher & Katharina Dennis
