

At Westbrook Little People, we welcome parents and carers to attend the setting and enjoy interacting with your child and friends.

Are you a keen baker? Would you like to involve the children in some healthy baking?

Come along and read to our children in our book corner and help develop their concentration skills!

Come along to our role play area! Can you help fix our patient? Can you help look after our babies? Encourage and enjoy our little people's imagination!

Do you love crafts? Come along and help create a masterpiece!

Green fingers? Come and teach our little ones how to plant a beautiful flower or grow a yummy vegetable!

If you have a wonderful skill and would like to show our children, we very much welcome you to our setting! Please discuss further with your child's keyworker

JOIN OUR COMMITTEE!

Westbrook Little People are run by a committee and they work extremely hard! This is a voluntary position and they meet once a month to discuss the running of the preschool and fundraising events.

We have lots of fun organising and running our fundraising events for the community and if you would like to join, please make your child's keyworker aware!
