

2017-2018 MAP RE-ENROLLMENT FORM - GRADES 1-7
DEADLINE IS FRIDAY, APRIL 14, 2017

March 31, 2017

Dear MAP Families,

It is time to RE-ENROLL for NEXT YEAR! Please let us know if your child/children are returning to MAP next year, and if so, your requested schedule. Re-Enrolling in MAP now will help us plan, as well as secure your spot for the fall. **Please complete this form & return it to MAP no later than Friday, April 14, 2017.**

Forms may be downloaded, completed, saved, and emailed to Gaye @ gayeshannon@verizon.net OR mailed to MAP P.O. Box 18 OR left at your child's program OR put in the drop box at 2-3 MAP.

Families will be billed their annual registration fee as part of the May 1st billing installment. (First child: \$50.00, additional siblings: \$30 each). Re-Enrollment forms not received on or before Friday, April 14 will result in your child being removed from our enrollment for the upcoming school year. **Don't delay, send it today!**

Families with an incoming kindergartener should email Gaye @ gayeshannon@verizon.net to receive a "Kindergarten Registration Form" when they become available. Siblings of current enrollees will receive priority.

Child's name	Grade in 2017-2018	Requested Days:					
		<i>(Please check all that apply)</i>					
_____	_____	M	T	W	TH	F	<i>Not Returning</i>
_____	_____	M	T	W	TH	F	<i>Not Returning</i>
_____	_____	M	T	W	TH	F	<i>Not Returning</i>

Helpful Information:

- Tuition Deposits for families not returning will be refunded at the end of the school year provided that your account is paid in full.
- Children entering grade 6 will be automatically enrolled in MAP @ the Pfaff. These students will have an opportunity to join our Counselor-In-Training program and help at the Kindergarten-1st grade or 2nd and 3rd grade program. Contact Gaye with questions.
- Families with current CIT students may re-enroll through grade 7.
- Changing your scheduled days for the following year will be granted in the event space is available. MAP does its best to accommodate schedule changes.
- Please spread the word about our Jump Start Program, an enrichment program designed to for children ages 4 and 5 not yet enrolled in kindergarten! See our website for complete details!
