Acknowledgement

I give credit to my very good friend of 30 years, Nancy Ahrens Jensen, for the push and shove she gave me to write these memoirs. I was visiting her and her husband Allen in November 2008 for their family reunion. With time on my hands, she handed me a notebook and suggested I start writing down memory lane. When I returned home, I put the notebook aside and didn't do anymore writing. Two or three months later, Nancy called and during our conversation she asked about my writing project. "I've done nothing," I said. She said, "GET BUSY!"
