

## **Blessings come in many shapes and sizes.....**

In today's hurry up, fickle world we see trends and styles change with the wind and businesses come and go. When we see a business that has the staying power of decades we know they are doing something right.

We here at the Day Spa at Salon Elizabeth set out to do it right every single day...from working past our posted hours to accommodate clients' needs, to technicians coming in on their scheduled day off, to honoring our "Perfect Gift" gift certificates years after they've expired. Every decision we make is based on what is best for you, our treasured clients.

And you have rewarded us GREATLY! That is why as we celebrate our 20<sup>th</sup> Anniversary we want to do something for YOU. During the month of October we invite you to enter our weekly drawing each time you come in for a service. We will pull one name each Saturday for a \$20 gift certificate. All names will also go in our Grand Prize drawing Tuesday, Oct 31 for a \$100 gift certificate.

Join us as we celebrate and count our earthly blessings...because those blessings truly come from you, our extended family
