Benefits of a HomeSchool Studio Class

- Convenient location: We come to a home or facility near you (Contact us for specifics)
- Arrange a new class group or join another: set your own schedule & choose a course
- No out-of-pocket costs for many homeschool students: If we are a Vendor for your charter school/homeschool or can become one, use your homeschool funds for all expenses
- Teacher assists each student individually
- Each of your children and guests may join the same class regardless of age. Instruction is customized for each age and skill level
- Nurture friendships: A great opportunity to spend more time with friends in a fun, creative setting
- Optional Parent-Teacher Consultations to discuss progress and give your feedback and requests

Do you have a class close to me that I may join?

How do I arrange a new class?

Hosting a class is easy! First, pick a location. All we need is a room with a table. We will bring a plastic tablecloth and all supplies. Then we'll clean up after class so you can't tell we were there.

Either:

- host a class in your home
- find a friend who would like to host
- find a facility who is willing to let us use a room, such as a church or business owner you know
- ask us if we have any facilities available in your area

Read and fill out the following page. Once session dates are confirmed, we will email you an invitation that you may distribute by print or email. Invite friends, neighbors and/or homeschool buddies!

Class Size

Suggested 6-12 students. We will come for a smaller group but the fee per student may increase. Larger groups will be approved on a case by case basis depending on ages and space.

Cost per Student

Tuition: \$20 per 1 hour lesson (longer lessons available) Sessions are usually 6 or more lessons

Material fee: \$0.75 per lesson

Sibling Discount: 10% off tuition for second child and additional children. Does not apply to materials

Let us know if we should bill your charter school/homeschool.

Credit* for Host Family (person who schedules and arranges for the facility)

One student will receive the following credit **depending on class size:**

- 6-7 students: \$10 off your next session
- 8-9 students: \$25 off your next session
- 10-11 students: \$40 off your next session
- 12 or more students: \$55 off your next session

*credit will be based on final number of students enrolled after all payments are collected, so must be applied to an additional session or lessons, not this session

Program and prices subject to change

Easy Steps to Arrange a New Class

1. **Make your request:** Fill out this form and email, fax or mail it. Call us if you have any questions or want to submit request over the phone. We will respond to you within one business day when possible to let you know if the dates you requested are available. Once details are confirmed, we will email you an invitation that you may distribute by print or email. Each family should contact us to register.

2. **Make payment arrangements:**

If using school funds, contact your charter school/homeschool to get approval for us to bill them for your lessons. Once we receive the confirmation from them for at least 6 students, we will reserve your time slot.

If you or others in your class are paying personally, contact our office for a payment plan if not paid upfront in full. A minimum of six students must make an initial payment before your reservation can be guaranteed, unless other arrangements are made.

3. **Registration form:** We will email each family a registration form to return before the first class.
