

**The Unbridled Thoroughbred Foundation invites you to become an
Honorary Committee Member for our inaugural benefit --
CELEBRATE LOVE & JOY in support of
The Horses of Unbridled and our lifesaving work.**

CELEBRATE LOVE & JOY takes place on Saturday, July 17, 2021 from 4pm to 7pm at the Unbridled Sanctuary in Cossack, New York. Our incredible team of volunteers are working diligently to make this an event to remember.

CELEBRATE LOVE & JOY will be our first soiree of the summer at Unbridled.

- Enjoy a champagne welcome and light local fare.
- Stroll about the Sanctuary and mingle with our magnificent mares.
- Browse and bid on a bounty of beautiful silent auction items.
- Celebrate our love and the lives we have saved in a special live performance by Joy Adler & The Souls of Evolution who will perform a specially curated collection of music composed exclusively for Unbridled.
- After the music, famed American Artist Ken Wilson, will join us to present his original oil painting "Morning Gallop" for a live auction.
- And of course, every guest will go home with an Unbridled Swag Bag!

When we first met our Sanctuary residents--they had been sorted for slaughter and needed a lifeline. They arrived broken, used and devastated -- yet with our care and a gentle touch -- they have forgiven and flourished. Each horse at Unbridled is a portal into the curious and intelligent mind, emotional capacity and individual personality of every equine being.

Earlier this year, 20 of our Sanctuary Horses were besieged by an outbreak of Strangles -- a painful and debilitating condition. On the heels of COVID, this shut down our programs and exhausted our resources. The Veterinary Care to heal the Herd to complete health and wellness is in the tens of thousands of dollars.

By joining the 2021 Celebrate Love & Joy Honorary Committee your generosity will ensure that our sacred work will continue to grow and flourish. Your name along with other concerned Community Members will be listed on the event webpage and program as well as in Unbridled's newsletter. On behalf of the whole team at Unbridled and the countless horses who rely on our advocacy, programs, services and voice every day -- THANK YOU for considering this request.

Please respond by June 30, 2021 to ensure enough time to include your name in our printed material highlighting your contribution and support.

If you require additional information--please contact me directly at 518.731-4UTF or via e-mail at Susan.Kayne@UnbridledHorses.ORG.

With gratitude,

Susan Kayne, President & Founder
