- We are delaying printing our 2020 Membership Roster until May or June.

APRIL AND MAY MONTHLY MEETINGS

BECAUSE OF COVID-19, WE ARE NOT HOSTING OUR APRIL EVENING EVENT WHICH WAS PREVIOUSLY SCHEDULED FOR APRIL 14 AT THE CARLTON OAKS COUNTRY CLUB. WE HAVE TENTATIVELY POSTPONED THIS EVENING EVENT FOR JULY 14. MORE WILL BE COMMUNICATED LATER AS TIME UNFOLDS.

IN LIEU OF A MEETING AT THE BRIGANTINE, WE ARE LOOKING INTO POSSIBLY SCHEDULING A MEMBERSHIP-WIDE CONFERENCE CALL SO THAT WE CAN STAY IN TOUCH WITH ONE ANOTHER AND KEEP INFORMED WITH HAPPENINGS. AS THIS DEVELOPS, WE WILL LET YOU KNOW HOW AND WHEN THIS MAY HAPPEN.

This past week, the Governor of California announced the following (see graphic):

If this is true, then we will NOT be meeting at the Brigantine in MAY. We love the Brigantine, but our meetings there are set up in a way that would make it impossible to practice any social distancing.

We plan to be back at the Brigantine in AUGUST for sure. Please stay tuned for future updates to our summer meeting schedule.

PRESIDENT'S MESSAGE—Waskah Whelan

President Trump has been doing a fantastic job and proving to everyone what a great choice he is as President. He has shown everyone that he is an organized leader and a big league problem solver. No other President in my memory would have been able to take charge of this emergency as President Trump has done. He understands the many parts of our economy and healthcare system and knows what needs to be done to fix them.

Our country is great at solving problems. Our people are curious, creative and willing to think outside the box. Creative people always think...I know there's an answer here somewhere! *(Continued next page)*

PRESIDENT'S MESSAGE.....Continued

President Trump is the perfect president for these times. He pulls in everyone that can help solve the problem and makes them accountable. He moves quickly...people that work with him say, there's Time and then there's *Trump Time*. President Trump expects things to get done now!

When it is time for the economy to fire up again...what better leader could we have than President Trump? He knows business and how it works. He took the Obama economy and tripled it. He can do it again.

MEMBERSHIP—Wendy Wolfe

Navajo Canyon is finishing up our annual membership drive and over 100 of our members have renewed. However -- if you haven't yet done so -- please take this opportunity to do it now. Typically, we have our membership directory completed and in your hands by the March meeting, but with the challenges we are now facing, the 'silver lining' is that you have more time to get into the *book*! Information on that below.

Much more importantly, March welcomed six new committed Republican ladies to our club! I'd like to officially welcome **Carole Brown, Gerry Faucett, Nanette List, Leslie Lucas, Marilyn Burks** and **June Green** to our club. We will welcome them warmly when next we meet. *Promise!!*

Membership Information: Dues are be \$35 for regular members and \$20 for associate members. If you haven't yet paid your annual membership dues, please mail a check, payable to RWCNC to: 2295 Needham Road, #4, El Cajon 92020.

We look forward to meeting again in person because *this, too, shall pass*. In the meantime, please guard your health and take good care of your loved ones. And think of the unleashed energy and work to be done once our members are free to get out there and prepare to reelect President Trump in November!

WAYS AND MEANS—Diane Randolph

I'm sitting here by the pool drinking my Quarantini and trying to figure out where my next travel destination will be. Will it be Las Kitchens, Santa Bedroom, Porto Gardenas, Los Bed, Castaneda Del Balconia, La Rotonda de Sofa or the very inviting St Bathroom I just can't seem to make up my mind.

All joking aside there really isn't much to share about upcoming events until we know when we'll be allowed to leave our homes. I will say that I've been pretty busy cleaning out closets and drawers and have found a number of items for our Road Show whenever that might be. So keep your chin up ladies and drink your Quarantinis.

MESSAGE FROM Christine Jones

Ladies, I hope everyone is doing well and are taking precautions with this crazy COVID-19 outbreak. I want to remind you all that no matter how hard it is for some of us, it is okay to ask for help. Please reach out to your family, neighbors, friends or church if you need assistance and if someone offers to help, take them up on it. It is important that we work together to get through this.

I also came across the following article that pertains to anyone 55+ and thought I would pass it on. I found there is very little information out there and this was written specifically for our age group(s). Feel free to pass this on to the club if you would like. They will need to copy the address into their browser.

IT IS IMPORTANT TO LET SOMEONE KNOW.**

CAMPAIGN PRECINCT REPORT - Waskah Whelan

Congressional Campaigns:

Question: What is the greatest gift we could give President Trump in November besides getting him re-elected?

Answer: Take back the House and fire Nancy Pelosi...and keep the Senate.

I have contacted all of the campaign managers for the four Congressional Candidates in San Diego County. I will be planning with them how to involve our County's club members in their campaigns.

In the 50th Congressional District, Darrell Issa will be the Republican candidate running in November.

Four RWC clubs will be working to assist him with his campaign. Foothills, El Cajon Valley, Lakeside and Navajo Canyon will each be taking a week every month to help with his campaign.

Navajo's week is the 3rd week of every month. There will be several activities for which our members can volunteer.

With Social Distancing in place, I am assuming the only volunteers we can deploy will be those making phone calls. This is an easy job since we will be using our own cell phones from our own homes to call lists of Republican voters the campaigns give to us.

I will contact you as soon as the Issa Campaign is up and running and ready to make calls.

Our message will be to remind voters to **confirm they are still registered as Republicans.**

This is done thru **SDVOTE.com**. At the top of their page, click **"I Want To"** ...then from the drop down list choose: **Check My Registration...**

You can also **Register Someone to Vote** from this same drop down box. If you don't carry registration cards with you then show people how to register @ **SD VOTE.com**.

Voter turn-out for the March 3 election was only 45.7%.

Republican turnout was less than that!

We need to fix this!

Campaign Phone Calls

When we call our Republican voters, our calls need to be conversational...not stiff messages that are just being read. You can shorten and re-word parts of most any campaign message. You can use a message such as the following for almost any candidate:

Phone message:

Hello... this message is for Debbie. I'm a volunteer from the Republican Party calling for our endorsed candidate, _____ . (1st Name) is working hard to protect taxpayers like you and me and help solve the homeless problems here in _____ .

I hope you will support _____ . He/she is the only endorsed Republican in this race.

Sometimes I add...There is a reason _____ was endorsed. He/she is a hard worker and will get things done.

Don't forget...It is very important to be a voter! Thank you, Debbie. I really appreciate your time.

If the voter answers the phone, I say the same thing...only I start by saying, Is this Debbie?

If Debbie is not the one answering and is not home, I just say I will call back later.

You can use this message over and over. Never state more than three things the candidate will do. I really prefer to mention just two. Otherwise it's too wordy. Make it smooth and make it sound like you're just talking. Practice saying this message and you can help anyone!

I will be giving the campaigns a list of 25 ways they can use our volunteers. It's important for each club to mobilize their members. We need ALL of you to help. Practice the above message until it sounds smooth. You can use this same message with only a few alterations for any candidate.

When you are fighting off socialists, communists, and Trump-haters as well as deadly viruses...it's no time to be shy and afraid. Everything depends on our response and getting the truth out!

Please help by being a volunteer!

MESSAGE FROM Gloria Harpenau

Hello to all of you stay at home people, here are some things you can do. Every day at lunch time we go to a different restaurant that is offering "To Go" or Take Out. So far we have gone to:

Texas Roadhouse on Fletcher Parkway, El Cajon
Black Bear on Fletcher Parkway, El Cajon
KFC drive through or any drive through
Greek Chicken on Main and Bradley, El Cajon
La Palapa on 12169 Woodside Ave., Lakeside – they also are doing margaritas To Go!!!
El Pollo on Fletcher Parkway, El Cajon or any other El Pollo.
Phil's Bar B Que in Santee
Honey Baked Ham on Jackson Dr., La Mesa – sandwiches and meals to to go.

This gets us out for a short drive plus we supporting those restaurants and their staff that are braving this challenging time; hopefully we are helping them stay in business and helping the economy. It has been suggested that you make generous tips to those people who are working to prepare and serve the food. We bring the food home. Sit the sack on a spot set aside for deliveries, sanitize a spot on the counter, thus sanitizing your hands, and set dishes on that area, take out the deliver containers and empty them onto your dish wear, return the containers back into the sack and take it to your outside trash container. Enjoy your lunch! If you have other suggestions don't forget to share them with your family and friends.

CHAPLAIN—Ginny Wisley

"Be strong & courageous, do not be afraid or tremble at them, for the Lord your God is the one who goes with you. He will not fail you or forsake you"
Deuteronomy 31:6

Gee, and I thought I'd be writing a happy Easter, bunny filled message. Plan B is here.

We are strong women, strong American women! We will survive this new normal & go back the hugs, gatherings, open trails & to me: eating in a restaurant with someone else cleaning up!

I thank God every day that President Trump is president right now, & that he is really for the country. He gives realistic hope to a frightened land.

So, remember that ultimately, God is in charge, we just need to wash our hands, complete projects, don't hoard, ask for help & know we'll be back on track soon.

I leave you with this prayer that I am quoting from a Rabbi friend I don't have the Hebrew spelling, so you get the English: Please God heal us!
