Singing and other relevant experience (e.g., groups sung with and pieces sung, private voice lessons and teacher, awards): \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_ (attach sheets, if necessary)

Included with this application should be at least two recommendations from your high school or youth choir choral director, voice teacher or other professional musician familiar with your singing ability, and a CD or DVD of a solo piece sung by you. The recommendation letters may be submitted separately before the application deadline.

The application must be submitted on or before November 30, 2016 to Heritage Chorale, 828 N. Harvey Ave., Oak Park, Illinois, 60302. Shortly thereafter, auditions will be individually scheduled with eligible applicant finalists. Conditional selection will be made before the beginning of the Heritage Chorale spring semester in January 2017. The scholarship award will be made at or shortly after the spring concerts in April 2017.

I understand that if I am selected for this scholarship award, I must join Heritage Chorale as a singer during its spring semester, beginning in January 2017 and ending with performances on April 29 and 30, 2017. Rehearsals are Monday evenings with a few supplemental ones scheduled. The award is conditioned upon full participation and successful completion of the spring semester with Heritage Chorale in conformity with attendance and other standards generally applicable to Heritage Chorale members, except dues will be waived. I also understand that this scholarship, if awarded to me, is for my pursuit of music study in the vocal arts, and that payment will be made to the institution or individual I will study with in 2017. I will supply information and cooperate in securing confirmation concerning study plans and arrangements.
