

Belize Aggressor October 2018

Come join us for an adventure you will remember forever. Live-aboard scuba diving and snorkeling in Belize aboard the 138' Belize Aggressor IV.

This is the ultimate escape aboard your own private luxury yacht. No crowds, nothing to do but sit back, relax and choose from an incredible variety of live aboard activities including scuba diving, snorkeling, kayaking, fishing, sunbathing, and island exploring. Belize is a wall diver's paradise. Sheer walls like Painted Wall, Half Moon Caye Wall and Quebrada are adorned with huge crimson gorgonians and giant orange elephant ear sponges. Moray eels, spiny lobsters and tiny arrow crabs hide in every crack, crevice, cave and tunnels of these beautiful coral formations. These are just a few things you will see at Lighthouse Reef, Half Moon Cay and Turneffe Reef.

Frequently Asked Questions

Cancellation & Refund Policy:

Your \$100 initial deposit is *non refundable*. Please refer to the Carolina Dive Center – Belize Aggressor 2018 personal services contract for full cancellation and refund policy.

Documents to Bring

U.S. citizens need to bring with them a valid passport. Certified scuba divers must bring their certification card.

Location

We depart from Belize City

Accommodations:

All rooms have private bathrooms and Air Conditioning. All linens (including sheets, comforters, bath towels, hand towels, dive towels, and wash cloths) are provided on board.

Meals

Evening meals usually consist of lots of fresh vegetables, rice, pasta, chicken, beef, turkey, pork, and fish. Breakfast is the usual fare of eggs, bacon, pancakes, French toast, muffins, danish and fresh fruits. Lunches vary from soup and sandwiches, burgers, pasta, assorted salads, and quiche. Homemade baked breads, cookies and brownies are offered between dives.

The Vessel

The Belize Aggressor comfortably accommodates 20 passengers in 10 staterooms, all of which have private bathroom facilities. The semi-enclosed, air-conditioned salon on the upper deck includes dining tables, TV, CD/DVD, video library, light table and lounge area; a large sundeck with lounge chairs is aft of the main salon. The vessel's boutique is located on the main deck, and the photo/video lab is below decks. The large dive deck is equipped with a bathroom, individual gear lockers, camera table with low pressure air hose, recharging station, air and nitrox filling stations, tank racks, and a separate fresh water rinse for both scuba and underwater camera equipment. There are two sets of stairs accessing the dive platform, where two in-water ladders hang for easy access to and from the water.

Diving Conditions

The weather in the Caribbean is remarkably consistent year-round. The temperatures range 80-85 degrees with nearly constant sea breezes. Water temperatures range from 80 - 82 degrees. There is normally little appreciable current at the sites we visit, and visibility is generally between 50 and 150 feet. Most divers are comfortable with a 3mm wetsuit.

Your dives will be done from the vessel itself, taking advantage of the easy-access dive platform and other on board amenities. Entries are usually made from the side exit gates into the water, a drop of 4 feet or so.
