

Member Lending Library Lakeside Gem and Mineral Club, Inc.

Borrowing an item from the adult Club Library is a great way to preview it before buying your own copy. Borrowing privileges are limited to adult Club members with active standing. The Junior Club has its own library. The Club Librarian invites member recommendations for future acquisitions. Donations are welcome, and at the Librarian's discretion may either be retained or auctioned to Club members, with proceeds used for future acquisitions.

How to borrow library resources:

- Find the resource you want to borrow on the library holdings list updated periodically at www.lakesidegemandmineralclub.com Note the title and library item number. Limit is 2 borrowed items at a time per member. A member with an overdue library loan must return the item before checking out anything else.
- Call the Club Librarian (contact information in The Geode). Ask the Librarian to bring the item(s) you want to borrow to the next Club meeting. The library is too extensive to transport to meetings.
- Meet with the Club Librarian during the refreshments break at the Club meeting. Check out the item.
- Return the item to the Club Librarian at the next scheduled club meeting. A \$2/month late fee is assessed, except that overdue items marked CLASSIC incur a late fee of \$10/month. Please show respect for your fellow Club members by returning borrowed library items promptly.

Library Holdings (March 2016)
