

## Welcome to the 2021-2022 Dance Season!

We are so excited begin a new dance season! 2022 will be our 50<sup>th</sup> Dance Recital!

We hope to have a typical dance season this year with fully in-person classes and a more customary recital. No more Zoom (we hope)!

### New this year:

- **Shoe fittings** at the dance school will be available by appointment throughout the summer and school year. No waiting in line! Dance shoe and dancewear fitting appointments can be scheduled with us online through Calendly at: <https://calendly.com/fairportdanceacademy/shoe-fitting-appointment> or by contacting Nicole at (440) 488-7692 or [fairportdanceacadmy@hotmail.com](mailto:fairportdanceacadmy@hotmail.com) Please be sure to schedule an appointment so we have shoe fitting staff available. I am currently scheduling shoe fittings on Tuesdays and Wednesdays through August 11<sup>th</sup>. We will be closed the week of August 16<sup>th</sup> and will resume shoe fittings on August 23<sup>rd</sup> Mondays-Thursdays. Used shoes will not be available at shoe fittings.
- Students will be able to enter through our front door again.
- Lobby will continue to be partially closed: parents can come in to make payments, ask questions, etc. but we will continue to use the lobby as a performance space for the students.
- We are planning to install a CCTV camera system in our classrooms so parents will be able to view students while in class.
- We are looking into possibly having a Holiday Dance Performance in December.
- We will continue our cleaning and disinfecting, and we will run our HEPA air filters in each classroom for our dancers' safety.
- Please be sure to have your dancer bring water with them to class.
- Masks will be optional – unless otherwise directed.
- If you would like to continue or sign up for Tuition / Fees **Auto Pay**, you must let Nicole know in writing to authorize your payments each dance season. You can email or fill out the form in the school handbook.

We look forward to seeing you soon!

Thank You,  
Nicole DeBiase
