## **PRESS THE BUTTON! - 2017 - RULES**

**PLEASE ENSURE YOUR TURN UP ON TIME.** Failure to do so may result in possible point sanctions, ineligibility to door prizes and or in extreme cases replacement in the tournament.

**THE TOURNAMENT ORGANISER/S ARE ALWAYS RIGHT.** Regardless of if you don't like it and even if they later turn out to be wrong. Once the decision is made its final!

**BEFORE CALLING OVER A TO, TRY AND SOLVE THE ISSUE AMICABLY BETWEEN YOURSELVES.**

This will be much quicker than calling a TO.

**MARK THE SIDE ARCS ON ALL YOUR BASES.** To ensure that the facings of the models are clearly identifiable – seriously, this only takes a few minutes, and avoids so many issues.

**KNOW HOW TO USE YOUR LIST/S.** If they have special rules, know and understand them (including any FAQ). If you're going to be running multiple combat groups, you need to ensure that you can run them as quickly as you could a single combat group. If in doubt, go for a simpler option, and save complex forces for your non-tournament games.

**ANNOUNCE YOUR ORDER IN FULL AND PREFORM ALL MOVEMENT BEFORE ROLLING:**

- a) Clearly say what first skill is (short or long) and await an ARO response.
- b) Declare the rest of the skills to be used if any are being used.
- c) Place any templates regardless of success, measure and move all models.
- d) Await any further ARO responses than proceed to roll.

**ROLL YOUR DICE CLEARLY:**

- a) Say what your target number is before rolling;
- b) Roll the dice where both players can see;
- c) Re-roll cocked dice or dice that fall on the floor;
- d) Leave all dice on the table until the action is completed.

**MANAGE YOUR ORDERS CLEARLY:**

- a) Have clearly distinguishable order pools (including identifiable orders for different combat groups, impetuous or irregular orders, and your lieutenant's order).
- b) Separate your spent orders from your unspent orders.
- c) Clearly state who you're spending an order on, and (if using multiple combat groups) which order pool the order is coming from.

**REMEMBER IT'S A GAME.** Don't get hung up play intent and communicate what you want to do and only call for help if you reach an impasse or rule you can't clarify quickly and impacts on your fun!

## PRESS THE BUTTON! - 2017 - LISTS

### LIST, POINTS, SWC, COMBAT GROUPS AND ALLOWANCES

- **This will be a dual list event.**
- Your list may go up to **300 points** worth of models from your faction/sectorial with a total of no more than **6 SWC** used in your list.
- You may **not** include any customisable Spec Op's profiles.
- Named Spec Op Dire Foes characters **are** allowed.
- All lists must be checked on [ARMY VI](#) and must have a green I.T.S check report  to **ensure they are legally** within the confines of points, SWC and have legal LT options.

### OPEN AND PRIVATE INFORMATION

As a rule, everything on your Courtesy Army List is considered Open Information and must be disclosed at the end of the deployment phase and whenever asked throughout the game.

**However, you can keep certain pieces of information Private until you need to reveal them to your opponent such as the following.**

- Your troopers' Cost and SWC.
- Identity of your Lieutenant and whether you're in Loss of Lieutenant.
- Troops using Hidden Deployment.
- Troops using Airborne Deployment.
- Troops using Holojector.
- The profile of a model under Camouflage and or TO Camouflage marker/s.
- The profile of a model under an Impersonation marker/s.
- Any Special Skill, weapon or piece of Equipment possessing the Private Information Label.

### GAMING ETIQUETTE

Checking all possible Lines of Fire for all figures and Markers on the table can be cumbersome. **It is perfectly acceptable for a player to ask their opponent whether existing Lines of Fire could disrupt the declaration of a given Order before declaring it.** Players are expected to share this Open Information in a truthful and sportsmanlike manner. Honesty and fair play are conducive to a better gaming atmosphere, and all players benefit from that.

**You must give the Tournament Organiser access to any piece of information, Open or Private, anytime if it is requested.** *\*Caveat unless you are playing them at the time/bye round.*

There is ample parking both besides and under the centre and it's within walking distance of Windsor Rail Station.

**LUNCH IS NOT** included in the price although there is a cafeteria which will be manned throughout the weekend on site.
